PRESCOTT PARKS AND RECREATION

SOFTBALL RULES AND INFORMATION

All City League softball games will be played according to the ASA and City League rules. The following are rule points of emphasis and City Recreation additions.

PLAY BALL! Season starts May 4!

SECTION I - PROGRAM INFORMATION

OBJECTIVES AND PURPOSES: The objectives and purposes of the Prescott Parks and Recreation Sports Program are to develop, promote and administer adult sports leagues within the limits of Yavapai County, by establishing rules and regulations governing all participating teams in a framework of organized, wholesome adult recreational sports leagues.

RULES AND REGULATION POLICY STATEMENT: The Prescott Parks and Recreation Department reserves the right to change any rules or regulations whenever due cause warrants a change. If a change is made, all team managers affected by the change will be notified. In addition, Parks and Recreation reserves the right to add any rule or regulation when this addition will benefit the program. **Team Coaches/Managers are responsible for informing their players of all City League rules and regulations.**

ASA INFORMATION

When you register your team in the City League Program your team will automatically be an ASA (Amateur Softball Association) registered team. You will receive an ASA rulebook and an ASA scorebook in your registration packet. Your ASA registration card will be mailed with your team softball league schedule. ASA membership entitles your team to play in any ASA sanctioned tournament this year.

LOST OR STOLEN ITEMS: Call 777-1122 or come by the Programming Office if you have lost something at one of the fields. The City of Prescott is not responsible for lost or stolen items.

LEAGUE DIRECTOR: Any questions, concerns or comments regarding the City Softball league should be directed to Rick Hormann, Sports Coordinator, at the Recreation Programming Office - 777-1557.

SECTION II - GENERAL LEAGUE RULES AND POLICIES

ALCOHOL AT FIELDS:

No alcohol is to be consumed by any player who is participating in a game during their team's scheduled game time. If a player or team is using alcohol while their team is scheduled to play, the result will be ejection of the player(s) and/or suspension from the City League Program. Alcohol in dugouts is strictly prohibited.

ASSAULTS TOWARD CITY PERSONNEL: PHYSICAL/VERBAL

Any player/coach/manager/fan verbally assaulting an official, scorekeeper, or any other Parks and Recreation personnel will be ejected and/or suspended a minimum of one week and may be banned from the recreation leagues for the remainder of the season (this includes all ASA tournaments). Any physical abuse will result in banishment from the league, perhaps banishment from all other City sponsored programming for 1 year, and possible legal prosecution to the full extent of the law. Players on multiple teams will be suspended for each league game in amount of weeks suspended.

Extension Mats: For all slow-pitch league play, mats will be used to determine strike zones. Balls landing on any part of Home Plate or any portion of the mat, with legal pitching arc requirements (12 ft. max/6 ft. min.), will be ruled strikes.

BALLS: Will be provided by the Sports Division. All teams will be responsible for retrieving balls hit outside the playing field.

BASE DISTANCES: The bases in all slow pitch games will be 65 feet apart.

BAT THROWING: The intentional throwing of a bat is an automatic ejection from the game. The first unintentional throwing of a bat will result in a warning by the official, after which, ejections will occur.

BENCH AREA: The team at bat must stay on the bench with the exception of the batter, person on deck, bat-boy/girl- if over the age of 18, and two base coaches. Bat-boys/girls under the age of 18 must stay behind the screen until all play has stopped.

BUNTING/CHOPPED HITS: No bunting or chopped hits are allowed in Slow-Pitch. Penalty: Batter is out and no runners may advance.

BLOOD RULE: A player, coach or umpire who is bleeding or who has blood on his/her uniform shall be prohibited from participating further in a game until appropriate treatment can be administered. All bleeding must be stopped completely in order for the individual to resume play. If a player's uniform is blood-soaked, it must be changed.

MEN'S 50+ SPECIAL RULES

The Miken 2 is permitted in Men's 50+ Leagues ONLY

1. **Courtesy Runners:** There is no limit to the number of courtesy runners.
2. **Extra Home Base:** A secondary home base will be used in all coed leagues. A runner running home in an attempt to score must touch the secondary home base. **Runners can not touch the primary home plate.** Defensive players can only touch the primary home plate. All plays at home are force plays rather than tagging plays. Any throw beating the runner and controlled by a defensive player while touching home plate, will result in that runner being out (this is a force out). Runners tagged by a defensive player while attempting to score will not be out. If the runner touches the primary home plate, he will be out and the ball will remain alive.

Line of No Return: In addition, a line will be drawn 20 feet from home base. This is the "line of no return". Once a runner crosses this line, he can not return to third base - he is obligated to continue towards the secondary home plate in an attempt to score. If the runner does return to third base after he has crossed the line, he will be out and the ball remains alive. However, if the runner does not cross the line, it is play as usual, i.e. he may be tagged by a defensive player. Runners shall not be called out for contact with a defensive player not in contact with home plate unless in the umpire's judgment the runner deliberately hit or could have avoided collision. (Refer to the Senior Softball Second Home Plate Rule in the ASA Rule Book).

3. **Run Limit:** **There** is a limit of five runs per inning except in the final announced inning of the game in which each team can score unlimited number.
4. **Time Limit:** After 50 minutes of play, the next new inning will be declared the last inning.
5. The Senior Softball league will furnish their own Optic-Yellow softballs for their leagues.

6. Coed Batting Orders: A team may bat up to eight male and eight female batters during a Coed game. The only time a team can bat an odd number of male/female batters is the shorthanded rule of 9 players with one more male or female player. An out will be recorded for the vacated 10th spot in the lineup. If a team has 8 or more players, they must bat 8, 10, 12, 14, or 16 in the lineup.

MEN'S A/B SLOWPITCH DIVISION-SPECIAL RULES

The purpose of creating these special league rules to our highest Men's division is to give our teams that travel to tournaments the opportunity to practice these championship play rules as well as give our local umpires the ability to learn the "two umpire" system. We will be hosting the ASA Men's C Slowpitch National Championships in 2010.

1. **Two Umpire System:** The A/B division will feature a two umpire system to give our upper division the opportunity to steal, have a strike zone without a mat and utilize a "one to waste" strike out count.
2. **Stealing:** Stealing will be permitted in the Men's A/B division only. Runners must wait for the ball to cross the plate before attempting to steal.
3. **Strike Zone:** The strike zone will be from the top of the batters front shoulder to the back knee. No mat will be utilized in Men's A/B division.
4. **"One to Waste" Rule:** The batter will begin with a one and one count and will have a foul to waste once he reaches a two strike count.

SLOW-PITCH BASE STEALING: There will be no base stealing permitted in slowpitch City Leagues.

CLEATS: Metal cleats may be worn in Men's A/B, B/C divisions and adult Fast-Pitch leagues only, provided they meet ASA guidelines. In all other divisions, metal spikes are prohibited.

COURTESY RUNNERS: One courtesy runner may be used per inning in all leagues. The runner must be the last out in that particular inning or a non-player who is a legal team member. Exception: If a courtesy runner was used for a particular individual and that individual comes to bat a second time in the same inning, he/she may use a courtesy runner again. However, if a courtesy runner is to be used it must be done prior to the first pitch to the next batter. In Coed, the courtesy runner must be the last out of the same sex, or a legal team member who is a non-player of the same sex. One male and one female may be used per inning.

DOUBLE FIRST BASE:

Whenever a play is being made on the batter-runner, the defense must use the white portion and the batter-runner must use the colored portion. The batter-runner is out when there is a play being made at first base and the batter-runner touches only the white portion providing the defense appeals prior to the batter-runner returning to first base. Once the runner returns to the white, no appeal can be made.

On extra base hits or balls hit to the outfield when there is no play being made at the double base, the batter-runner may touch the white or colored portion. Should the runner return, the runner can return to the white or colored portion.

On any force out attempt from the foul side of first base, or an errant throw pulling the defense into foul ground, the defense and the batter-runner can use either the white or colored portions.

EJECTIONS: Players or coaches ejected from the game must leave the playing area immediately and, at the umpire's discretion, may be asked to leave the park. Any players ejected may be suspended from all league play for a period of time, which will be determined by the league director. (This includes Coed and Men's or Women's play.) Additional action may also be taken, including but not limited to probation, an extended suspension and/or total suspension. The League Director reserves the right to determine the action taken. Each incident will be reviewed and a decision will be made in a reasonable amount of time.

FAKE TAGS: A fake tag is defined as a form of obstruction by a fielder who neither has the ball nor is about to receive the ball, and which impedes the progress of a runner either advancing or returning to a base. The runner does not have to stop or slide. Merely slowing down when a fake tag is administered would constitute obstruction. When a fake tag occurs the runner and each other runner affected by the obstruction will be awarded the base or bases he/she would have reached, in the umpire's judgment, had there been no obstruction.

FIGHTING: Players who engage in fighting will be automatically ejected from the game, must leave the facility immediately, and player suspensions to follow.

BANNED BATS: For the safety of the players, non-approved ASA bats are strictly prohibited in City of Prescott Leagues. Each bat must have a 2000 or 2004 ASA approved stamp, and NOT listed on the ASA banned bat list. Any bats that are discovered listed on the ASA Banned Bat list will be removed from play. The owner of the bat and if applicable, the player who is using the bat during the time it was discovered will be suspended for the game. The bat will be taken by the supervisor and will be available for the owner to retrieve after the season is over. Banned Bat lists can be found on our City Website, or in our score booths.

Altered/Doctored/Shaved Bats: Any player found using one of these bats will be ejected from the game, and suspended from any ASA leagues or tournaments for a minimum of two years. The owner of the bat will also be suspended for the same timeframe. Distributors will be reported to the National Office.

FORFEITS: Game time is forfeit time (except for the first game of the night which will be allowed a 5 minute grace period). A Co Rec team must have a minimum of eight players to begin and continue the game (see Co Rec Number of Players Rule, page 7) and Men's or Women's divisions must have a minimum of nine players to begin and continue the game. (Players must be on the field of play at game time). Forfeits are strongly discouraged and a team that forfeits more than one game may be dropped from the league with no refund. **YOU MAY NOT PICK UP PLAYERS FROM OTHER TEAMS THAT PLAY THE SAME EVENING AS YOUR LEAGUE.** If a team loses players during the season and anticipates possible forfeits in the future, the team manager should call the Parks and Recreation Programming Office to receive names of players from the free agent list.

HOME RUN LIMITS: A limit of **5 over the fence** home runs per game, per team will be used in all Men's and Co-ed Slow Pitch games - all divisions. Excess: For any in excess, the ball is dead, the batter is out, and no runners can advance. Fast Pitch and Women's Leagues do not have a home run limit. Players have the option to run the bases if he/she hits a homerun over the fence.

HOME TEAM: The team listed second on the schedule is the home team and will occupy the third base dugout.

JEWELRY: Exposed jewelry, which is judged by the umpire to be dangerous, must be removed and may not be worn during the game. Players who fail to do so will be ejected from the game.

WARM-UPS: There will be **NO** infield practice between games. Do not hit or throw balls against the fences at any time. Warm-ups are not allowed in areas near spectator seating. Only one warm up pitch will be allowed between innings during all Slow-Pitch games. Replacement pitchers are allowed five warm up pitches.

SECTION III - CO-ED, M & 50 OVER SPECIAL RULES

CO-ED SPECIAL RULES

1. Extra Home Base: A secondary home base will be used in all coed leagues. A runner running home in an attempt to score must touch the secondary home base. **Runners can not touch the primary home plate.** Defensive players can only touch the primary home plate. All plays at home are force plays rather than tagging plays. Any throw beating the runner and controlled by a defensive player while touching home plate, will result in that runner being out (this is a force out). Runners tagged by a defensive player while attempting to score will not be out. If the runner touches the primary home plate, he will be out and the ball will remain alive.

Line of No Return: In addition, a line will be drawn 20 feet from home base. This is the "line of no return". Once a runner crosses this line, he can not return to third base - he is obligated to continue towards the secondary home plate in an attempt to score. If the runner does return to third base after he has crossed the line, he will be out and the ball remains alive. However, if the runner does not cross the line, it is play as usual, i.e. he may be tagged by a defensive player. Runners shall not be called out for contact with a defensive player not in contact with home plate unless in the umpire's judgment the runner deliberately hit or could have avoided collision. (Refer to the Senior Softball Second Home Plate Rule in the ASA Rule Book).

2. Minimum Players on Field: See Players (Number of) in regular rules (Page 8)

3. Fielding Positions: Fielding positions must show a minimum of two women outfielders and two women infielders. Catcher and pitcher must be male/female or vice versa. In a case when nine players are used the following ruling applies to the fielding positions: Catcher and pitcher must be opposite sex. The infield and outfield positions must have a minimum of one female in its makeup.

4. Cones: A minimum of three outfielders must be positioned outside the 175' arc when women are at bat. They may move from inside the arc after the ball is hit. Penalty for violation is illegal pitch.

5. Males Walked: If a male player is walked in his time at bat, he goes automatically to second base. The female immediately following has the option to either take her normal turn at bat or she may automatically advance to first base. If the woman steps into the batter's box with a bat, she must hit. The male player must touch first base on his way to second.

RUN RULE: There will be a 15- run rule after 4 innings and a 12-run rule after 5 innings for all slow-pitch games. Once the game has been called on a run rule, officials will vacate the field of play.

SCHEDULE CHANGES:

Schedule changes may be necessary at times due to weather and/or loss of facilities. In the event of changes, City staff will contact the team manager who will be responsible for contacting their players. The Sports Division recognizes the fact that many adults have interests besides softball, but with approx. 150 teams, it should be understood that requests to adjust schedules to meet individual conflicts are impractical, if not impossible. Therefore, requests to adjust schedules won't be honored.

SCOREKEEPING: The scorekeeper is assigned to keep the official time and the official score. If there is no scorekeeper, the home team will keep the official score.

SLIDING: Sliding is allowed at any base. However, sliding is not mandatory. A base runner must either slide or make an attempt to avoid a collision with the fielder when; (1) The fielder has possession of the ball and is attempting to place a tag on said base runner; (2) the fielder obstructs a base runner without possession of the ball. Neither fielder nor base runner will be allowed to use force in performing their duties of tagging or base running. Penalty: Runner or fielder will be ejected from the game if judged flagrant. Note – When baserunners collide “standing up” with fielders in the base paths or blocking a base (with or without the ball), said runner will be called out and quite often ejected. Fielders standing in the base paths or blocking any base without the ball is therefore obstructing the baserunner, and umpires will protect the baserunner to the base or bases the umpire judges they would have reached, had there not been obstruction.

SMOKING: Smoking is not allowed on the playing field. A player may be ejected from the game for smoking on the diamond.

TIE BREAKER RULE: If a game is tied at the end of seven innings or the time limit has expired (whichever comes first), the visiting team will put the batter due to bat last on second base to start the inning. The home team gets the same opportunity when they come to bat. This procedure continues until the tie is broken.

TIME LIMITS: All Slow-Pitch softball games will play a one-hour time limit. No new inning will begin after 55 minutes from the first pitch. All Slow-Pitch games will be scheduled one hour apart. Fast-Pitch games will feature a one hour and 30 minute time limit. THE SCOREKEEPER WILL BE THE OFFICIAL TIMEKEEPER. Once games begin, a new inning begins upon the 3rd out of the previous inning. The end of season championship game will feature no time limit, but the run rule will be in effect.

UMPIRES: The Sports Division schedules the best available umpires on the ballfields at all times. One umpire and one scorekeeper are assigned to each slow-pitch game and two umpires and one scorekeeper for fast-pitch games. Judgment calls by umpire are final and should not be disputed. Umpires have complete authority to order a team or player(s) to cease arguments or to penalize any violation or flagrant acts committed by a team or its players. Failure to comply with an official's request will result in player/manager ejections.

LEAGUES: If a league drops below four teams and the teams cannot be moved, the entry fee will be pro-rated back to the remaining teams being dropped, however, the team that caused the league to go below four will receive NO REFUND.

The Prescott Sports Division reserves the right to adjust any league at any time (by moving a team up or down to another division and/or night of play), to help balance divisional play. If moved, current win/loss records will stay intact.

LINE UP CARDS: Ten minutes before game time, team representatives must provide the scorekeeper with a line-up. The line-up must include player's **first and last names and names must match the roster.** Line-ups must abide by the official roster on file in the Recreation Programming Office. There will be a limit of 20 players that can be on the roster. Once a line up is submitted to the scorekeeper, any player showing up late will go to the bottom of the line up unless he/she is substituting for another player.

MITTS: A first baseman's mitt is allowed at any position on the field, provided it meets current ASA standards.

NUMBER OF GAMES: Each team that registers will play 10 Regular Season games, with top 4 teams qualifying for the end of season tournament. Playoffs may involve different evenings of play however. All make-up games will be scheduled during the later part of Regular Season, and it is possible sites and evenings of play will change. Ties for first through fourth place at the end of the season will be broken as follows.

- (1) Head-to-head competition.
- (2) Head-to-head run differential.
- (3) Least number of runs allowed in head to head competition.
- (4) Most number of runs scored in head to head competition
- (5) Flip of a coin.

ONE AND ONE COUNT: All Men's, Women's and Coed Slow-Pitch games will be using the one and one count. This means that every batter begins their turn at bat with the count being one ball and one strike. In all leagues, batters will have one foul ball to waste after having received two strikes.

PITCHING DISTANCE: The pitching distance for all Slow-Pitch games will be 50 ft.

PLAYERS (Number of Men's & Women's Leagues): In all Men's and Women's Slow-Pitch league play, teams may bat up to 15 players. **Teams may begin and end a game with a minimum of 9 (Shorthanded Rule Applies).** Slow-Pitch softball is designed to field a team of 10 players on both offense and defense. If playing “short-handed”, the vacant position in the batting order must be listed last. An Automatic Out will be recorded each time the vacant position comes to bat if there are nine players in Men's or Women's play. If a team begins the game with 10 or more batters in Men's and Women's league play, and one or more players leave the game for any reason other than an Ejection, there will be no penalty and said player(s) will be scratched from the lineup. Players leaving the game may not be later substituted for, and they may not re-enter the game. Once a team gets down to 8 players in Men's/Women's divisions a forfeit will be declared.

PLAYERS (Number of) Co-Rec Play

In all Co-Rec Slow-Pitch league play, teams may bat up to 16 players. Teams may begin and end a game with a minimum of 8 players (4 men/4 women). A team may also begin a game with 9 players as long as there are 5 men/4 women or 5 women/4 men with an automatic out at the end of the lineup. All other lineups must be even numbered beginning with 10/12/14/16 players consisting of equal number of men and women. If a team is playing "short-handed and a gender correct substitute arrives, the substitute must immediately be inserted into the last position in the batting order. When a player or players leave the game for any reason other than an Ejection in Co-Rec play, an Automatic Out will be recorded when two male batters are then required to bat consecutively. Players leaving the game may not be substituted for, and may not re-enter.

PLAYERS (Number of) Men's/Women's/Co-Rec.:

When Ejections occur, and there are no players available to legally substitute, an Automatic Out will be recorded when that position in the batting order comes into play. Whenever a team cannot bat the minimum number of players, the game is forfeited, officials will vacate the field, and teams may utilize the field of play for practicing if so desired. Teams will be given a 5-Minute "Grace Period" to field a team for the first game scheduled each evening. For all remaining games that evening, game time is forfeit time. The **Field Supervisor** on-site will designate forfeits, in cases where teams do not have enough players present and inside the premises prior to scheduled game times.

PLAYER PARTICIPATION: A person may play on only **ONE TEAM PER EVENING**. Players may also play on a different team each night as long as they only go up or down one division letter. If a player is a B

level player, they may only play on A, B, and C teams. A player can not play on a B level team and a D level team. Players may switch teams once per season, provided they have not played with their original team for more than 2 games. Women are not permitted to play in Men's divisions and Men are not permitted to play in Women's divisions in Slow-Pitch leagues. Players may not switch teams and play for two different teams on any one evening. It is the responsibility of the Player to notify the League Director and their Manager of said roster change. They must also sign the roster of their new team. There is no roster freeze, therefore a team can add players throughout Regular Season Play.

To be eligible for participating in Playoffs, all participants must have played with that playoff team for a minimum of 2 Regular Season games. Coaches are responsible for informing their players to sign the team's roster before they participate in a game. If a manager wishes to add a player to his/her team, the new player must sign a player add form at the field site or the roster at the Prescott Activity Center no later than 5:00pm ON THE DAY OF THE GAME . **The minimum age for Adult Softball participation is 16 by end of calendar year**. Anyone under the age of 18 must sign the roster and submit an additional waiver form signed by parent or guardian prior to participation.

INELIGIBLE PLAYERS: THIS WILL BE MONITORED BY THE RECREATION DIVISION. Participants should carry a photo I.D. and must show it if requested to do so. If a player is caught playing illegally, regardless of inning, the player will be removed from the game and an out will be recorded if no substitute is available. If a substitute is available, they will take that spot. The ineligible player will be suspended for a week (seven calendar days). **Any team wishing to protest a game for ineligible players must do so before the first pitch of the game unless the player in question has entered the field after the game has begun.** Team manager or coach should notify the umpire or scorekeeper before the first pitch that the game is being played under protest for ineligible players and it will be noted on the score sheet. See **Protest Regulations** below for more information on protest procedures.

PLAYING TIMES: Each team must be available to play during any of the scheduled game times (6:00 or 6:30, 7:00 or 7:30, 8:00 or 8:30 and 9:00 p.m.).

PROTEST REGULATIONS: Only protest of ineligible player/players and rule interpretations will be accepted and considered valid protests. Protests involving the judgment of an official will not be given consideration. The coach/manager of the protesting team will be the only one allowed to protest. If the explanation of the official, following an appeal of the coach/manager, is not satisfactory, the coach/manager may protest to the City Recreation Division. A written protest must be accompanied by \$25, to be considered valid and will be refunded only if the protest is won. Written protests must be submitted to the scorekeeper at the game and the protest fee should be paid by 5:00 p.m. of the next scheduled working day. The League Director will rule on all protests in a timely manner.

RAINY DAY PROCEDURES: In the case of inclement weather, the field supervisor and Umpire will decide the condition of the playing field at game time. The Recreation Division will not cancel softball games from the office UNLESS rain has occurred all day long, and/or it has been reported by Parks Maintenance personnel that a field(s) is unplayable. Sometimes fast storms will be over by the evening and the field will be PLAYABLE.

PLAYERS SHOULD CONTACT THEIR MANAGERS OR CALL THE CITY SPORTS HOTLINE AT 777-1688 AFTER 3:00PM TO HEAR IF GAMES HAVE OFFICIALLY BEEN CANCELED.

If a game is canceled, they are rescheduled at the end of your schedule, not the following week. Teams must be available to play on any night of the week if multiple games are canceled. One thing we cannot control is the weather!

ROSTERS: Rosters must be completed and turned in at the playing field, before each team's first regular season game (player signatures required).
