	CITY OF PRESCOTT **PUBLIC WORKS DEPARTMENT** **TRAFFIC BULLETIN**
Today's Date:	August 16, 2013
Location:	• **Zone 19 Reservoir, Piping and Pump Station** - New Pump Station at the corner of Sierra Vista Drive and Copper Basin Road - 1.0 MG Water Storage Reservoir off of Copper Basin Road and Wickwood Lane
Description of work performed and traffic impact:	**Monday, August 19th through Friday, August 23rd from 7 a.m. to 5:30 p.m.** **Reservoir:** Water main installation along Copper Basin Road and Wickwood Lane has been completed, all required tests are passed and all trench areas are paved. The glass fuse bolted steel reservoir is 98% complete. Electrical and Instrumentation work, and grading of the site will continue next week. **Sierra Vista Pump Station** Curb and cutter, ABC placement and paving completed on Sierra Vista. Electrical and Instrumentation work, and installation of vertical centrifugal pumps inside the pump station building will continue next week. ***PEDESTRIAN ACCESS RESTRICTIONS*** Due to safety concerns, pedestrian access through the work zone is prohibited for the duration of project. This means that the access road to the reservoir site is closed to recreational use. **Please use caution moving through the project area and be aware of construction traffic.**
Effective Dates:	**August 19, 2013 through August 23, 2013**
