City of Prescott Trails and Outdoor Recreation Map

Easiest Trails
Good trail surface with few obstacles and minimal elevation change

Intermediate Trails
Irregular trail surface with some obstacles and elevation change

Difficult Trails
Technical and rocky trail surface with obstacles and substantial elevation change

Motorized Trails
Trails that allow dirtbikes and ATV's under 50" wide - terrain is usually steep and more advanced hiking and riding

Hiking Only Trails
Trails that do not allow bicycles

Granite Rock Scenic Trails
Trails with slickrock terrain most suited for hiking (or highly technical riding)

Bike Lanes
Striped lanes designate portion of roadway for bicycle travel, they carry one-way traffic, and are usually located on busy streets

Paved Bike Routes
Bicyclists share the travel lane with motorists on these streets. Some routes are physically signed, while others are just the recommended route to avoid heavy traffic or hazardous conditions

Unpaved Routes
Hikers and riders potentially share the route with motorized traffic on these Forest Service Roads

Whiskey Off Road Route
Trails and routes (various colors) marked with dark red highlight on one side of trail or route, or following streets through town

Trails Under Construction
Trails still under construction but anticpated to be completed this year
