# Water Conservation Rebate Program

| Water Conservation Rebates & Incentives | |
|---|---|
| **Rainwater Cistern (Active Rainwater Harvesting):** Requires the installation of a minimum 100-gallon capacity rainwater catchment tank or engineered cistern. Rainwater storage systems may not be interconnected with the City potable water system. Requires receipts of purchase, and photos of installed cisterns. Applicants must contact Public Works for guidelines prior to installation of the system. | $0.50 per gallon of storage<br><br>$500.00 maximum award |
| **Rain Garden (Passive Rainwater Harvesting):** A minimum of 50 sq. ft. must be installed with a minimum of 400 sq. ft. of stormwater redirected from the roof. Only native plants may be planted in rain garden, but catchment may also be rock lined. Rebate is for basin footprint. Applicants must contact Public Works for guidelines prior to installation of the system. | $3.00 per square foot of basin footprint<br><br>$500.00 maximum award |
| **Turf Removal:** Requires conversion from irrigated turf grass to water saving landscaping, and if irrigated, installation of an automatic water timer, backflow prevention device and drip or similar system. Applicants must contact Public Works for guidelines prior to removal of turf. Minimum turf removal areas are 200 square feet for residential and 1000 square feet for non-residential. Requires receipts of purchase, and before and after photos. | $0.50 per square foot |
| **Toilet:** Replacement units must use 1.0 gallons or less per flush, or a 1.28 gpf dual flush. Receipts required. | $100.00 |
| **Water Customers on Septic Systems:** Additional toilet and/or washing machine replacement incentive. | $50.00 |
| **Commercial urinals:** replacement must be an alternative flushless design, flush once at a specified interval, or 1 quart per flush. | $50.00 |
| **WaterSense labelled Smart Irrigation Timer:** Must use local weather data or soil moisture sensors to limit unnecessary outdoor watering, must be easy to use, and be EPA WaterSense approved. | $75.00 |
| **Ultra-Efficient Washing Machine:** Washer must be on the City of Prescott Clothes Washer Qualifying Product List at the time of purchase to qualify. Please provide photo of machine being replaced. | $200.00 |

CITY OF PRESCOTT ARIZONA

# Water Conservation Rebate Program (P.C.C. 3-10-8)

## Intent

To encourage residents and businesses to conserve water, the following conservation rebate program has been established. This program applies to the purchase and installation of devices to retrofit plumbing fixtures with high rates of flow, and to limit outdoor water use for landscaping purposes.

## Eligibility

Open to all City of Prescott water utility customers. Must follow all rules and regulations of the program in order to receive a credit on your utility bill.

## Other Rules and Information

- All incentive awards require and are subject to the submittal of complete applications and determination of eligibility and qualifications by the City.
- Applications will be accepted only from the current property owner(s) of record.
- The incentive program is provided on a first come, first serve basis, subject to the availability of budgeted funding.
- Applicants are responsible for confirming the availability of funding for incentive awards prior to submittal of their applications, which information can be obtained by contacting the Prescott Public Works Department.
- Total incentives granted for a property shall be limited to $2,500.00.
- Rebate awards will be credited on utility bills for the applicable properties within three billing cycles after approval.
- Each item is a one-time award for the property, fixture or equipment as indicated, subject to City review, approval and issuance of permits where required.
- For further information, a Homeowners Guide to Passive Rainwater Harvesting, and the Clothes Washer Qualifying Products List, please visit: ***www.prescottwater.com***
- I understand the City is not responsible for selection, installation, or performance of any water saving device.
- If necessary, a City representative will contact the applicant to schedule a site visit.
- Incomplete applications are subject to return.
