Ending Balance June 30, 2010	242,419	1,389,626	-	679,001	598,510	273,462	446,525	-	552,069	539,003	4,720,615

This report is provided in accordance with ARS 9-463.05 which requires an annual report on impact fee activity to be filed with the City Clerk by September 30 each year. This information has not been audited.

(1) The Capital Improvement Fund Loaned the Recreation Fee Impact Fund \$595,000 in FY 2007. The loan is repaid with any surplus generated by the Recreation Impact Fee. The balance of this loan on June 30, 2010 is \$426,462.

(2) The Water Fund Loaned the Water Resource Fee Impact Fund \$423,677 in FY 2010. The loan is repaid with any surplus generated by the Water Resource Impact Fee. The balance of this loan on June 30, 2010 is \$423,677.

* The Water Resource Impact Fee is calculated based on meter size, the \$4,945 fee represents a 3/4" meter, for a 2" meter the fee increases to \$26,355. For meters in excess of 2" an engineer computes the fee based on projected use.

** The Water System Impact Fee is calculated based on meter size, the \$5,389 fee represents a 3/4" meter, for a 2" meter the fee increases to \$28,723. For meters in excess of 2" an engineer computes the fee based on projected use.

*** The Wasterwater Impact Fee is calculated based on the number of sewer fixtures and typically costs between \$660 and \$2,400 for residential units and between \$1,200 and \$16,000 for commercial units.

On July 1, 2009 the Water Resource and Water System Impact Fees were increased and a new Wastewater System Impact Fee was imposed.
