### **Chief Kabbel Recognizes Prescott Police Members**

On October 8, 2010, Prescott Police Chief, Mike Kabbel, recognized all members of the Police Department for a successful year at its 20<sup>th</sup> annual award's dinner banquet. The banquet was attended by Police Department members, City Manager, Steve Norwood, Deputy City Manager, Laurie Hadley and Councilmembers, Jim Lamerson, Tammy Linn, Lora Lopas, and Mary Ann Suttles.

Last year, Prescott Police employees were involved in almost 54,000 police responses and our volunteers donated and worked over 10,200 hours. Members of the department are dedicated to providing our community with superior law enforcement services. We owe much of our success to both our employees and the many volunteers, who serve tirelessly and without compensation.

Some of the categories in which employees were recognized were for completing their probationary period, years of service, physical fitness and shooting proficiency as well as recognizing the explorer advisors for working with the Prescott Youth community.

In addition, seven employees received award recognition from Chief Kabbel and a Certificate of Special Recognition from Governor Jan Brewer for their outstanding work performance. Listed below are the award recipients:
