Issue
March 2010

Every Drop Counts

Did you know that an American home can waste, on average, 11,000 gallons of water every year due to running toilets, dripping faucets, and other household leaks? Nationwide,

Fix a Leak Week

March 15-21, 2010

more than 1 trillion gallons of water leak from U.S. homes each year. That's why WaterSense encourages partners to promote Fix a Leak Week from March 15 to 22, 2010, to remind Americans to check their plumbing fixtures and irrigation systems for leaks.
