APPLICATION INFORMATION FOR CDBG-FUNDED PUBLIC SERVICE ACTIVITIES

The City of Prescott, Community Development Department, is soliciting applications from qualified non-profit organizations interested in providing services that address one or more of the public service needs targeted in the City's CDBG program.

SCOPE OF WORK:

Under this program, CDBG funds may be used to provide public services (including labor, supplies, materials and other costs), provided the public service is:

- A new service; or
- A quantifiable increase in the level of a service

Targeted public service activities include, but are not limited to:

- Child services
- Health services
- Employment services (i.e., job training)
- Recreational services
- Education programs
- Public safety services and crime prevention
- Fair housing activities (a requirement of CDBG)
- Services for senior citizens and the disabled
- Services for homeless persons
- Services for treatment centers
- Energy conservation counseling and testing

The completed application must address one or more of the targeted public service needs listed above and must serve primarily low- to moderate-income persons in City of Prescott. It is the intent of the City of Prescott to fund those activities that meet a high priority in the City's Consolidated Plan and comply with CDBG National Objectives.

Funding Allocation:

The City of Prescott expects to receive \$xxxx* in CDBG funding for the 2013-2014 Fiscal Year. The CDBG allocation for public service requests is 15% of the total annual allocation, or approximately \$xxxx* for 2013-2014 Fiscal Year. [* amount not determined by HUD as of 11-05-12]

The selection process of applications for funding will be based upon an evaluation of the organizational capacity as well as written information provided in comparison to the needs outlined in the City's Five-year Consolidated Plan and Annual Action Plans.

This solicitation is offered in accordance with federal and state requirements governing procurement of professional services. Accordingly, the City of Prescott reserves the right to negotiate an agreement based on fair and reasonable compensation for the scope of work and services proposed; and, the City reserves the right to reject any and all responses that:

1) do not meet a national objective; 2) are deemed not feasible; 3) do not meet a local need; and/or 4) do not serve eligible or intended beneficiaries.

Funding Timeline:

Application funding recommendations made by the CDBG Citizens Advisory Committee will be forwarded to the City Council for approval as part of the Annual Action Plan process. This process is finalized by May 15th every year with the submittal of the Action Plan to HUD. Once HUD approves the plan and funds are released, a funding agreement will be signed between the City of Prescott and the subrecipient. Funding agreements will have an implementation period (from date of “notice to proceed”) and completion deadline no later than June 30, 2014.

Reporting:

Agreements will include monthly reporting requirements, a minimum of one site visit at least every six months, and a process that will discuss the possible cancellation of the contract should the City of Prescott determine that the subrecipient does not have the capacity to meet the implementation/completion timeline and is not demonstrating compliance with contractual obligations in a timely manner.

Contractual Requirements:

Each subrecipient selected to receive funds is required to sign a Subrecipient Agreement with the City. ***No costs incurred prior to the execution of a subrecipient agreement with the City are reimbursable.*** After the execution of an agreement with the City, no funds are to be spent until a “notice to proceed” letter, including the dollar amount of the grant award, is issued by the grants administrator. ***Please note: the actual funding amount may change between the date of the approval of the Annual Action Plan and the actual allocation date of release of funding from HUD.***

Under CDBG regulations, certain requirements must be met in order to negotiate a Subrecipient Agreement. These requirements include the following:

1. Applicants must certify that they are a non-profit organization or a governmental agency.
2. After an application is approved for funding, a Subrecipient Agreement will be prepared and sent by the City to the person identified by the applicant as the authorized official for signature. The contract will specify the amount of the award, the period for which the project is approved, the contract term(s) and administrative provisions. Special conditions attached to the award will also be specified in the agreement. Subrecipients will be required to submit and file monthly reports on expenditures, performance progress and objectives. Subrecipients will also be required to submit and file a year-end report with required data no later than June 20, 2014.
3. Each agency receiving CDBG funding from the City is required to certify that it will conduct its business in compliance with the non-discrimination requirements of the City of Prescott, state and federal governments, as applicable. Equal Opportunity Employment policies will be required.

4. In the event of non-compliance, the agreement may be terminated or suspended in whole or in part by the City of Prescott.
5. All subrecipients will be required to comply with the federal government audit requirements as described in OMB Circular A-133 (for HUD's programs, these requirements are codified at 24 CFR Part 84.) All subrecipients must have an annual audit. The costs of the annual audit are the responsibility of the non-profit organization.

Availability of Funds for Next Fiscal Year:

There is no implicit or explicit guarantee funding will be allocated or renewed; consequently, if funds are not allocated or are reduced, the City of Prescott reserves the right to notify the non-profit provider that funding is unavailable. No liability shall accrue to the City of Prescott in the event this provision is exercised; and, the City of Prescott shall not be obligated or liable for any damages as a result of termination under this paragraph.

Evaluation:

The Citizens Advisory Committee will evaluate applications and recommend those for an award based on the following criteria:

- *Program design and community impact*
- *Project is "shovel ready" and/or can be completed during the funding year (July 1, 2013 to June 30, 2014)*
- *Experience and capacity of the requesting non-profit*
- *Leveraging*
- *References (business relationships, persons using services, etc.)*
