No person in possession of a controlled airport key will duplicate that key. Lost or stolen keys must be reported to the Administration Office in writing immediately. By signing this form, the undersigned agrees to pay those fees as specified in the Airport Rates and Fees Scheduled, as approved by Council.

The TSA may issue fines to individuals for, tampering or interfering with, compromising, modifying, attempting to circumvent any security system, measure, or procedure 49 CFR 1540.105(a). All persons entering or being present within a secured area, AOA, SIDA, or sterile area must comply with the system measures or procedures for control access to, or presence or movement in, such areas. 49 CFR 1540.105(a)(2). The Airport Manager or his/her designee will enforce all provisions of the Airport Security Plan and may assess fines for violations. (Schedules of fines are subject to change.)

Vehicle operations on the AOA will include give right-of-way for all taxiing aircraft, obey ramp speed limits, and practice gate access control procedures. Follow-throughs are not allowed, unless under escort, and gates must close behind vehicles prior to proceeding. Gates and hangars must be secured at all times.

All vehicles operating on the AOA are required to carry insurance to the limits required by the airport and their insurance provider.

I have read and do understand this document and any questions I have regarding it have been satisfactorily explained to me. I understand that any misrepresentations of information contained in this document will result in termination of access privileges to the Prescott AOA.
