

City of Prescott
ADDENDUM NO. 1

**To the Project Specifications and Contract Documents For
Wickwood Lane Culvert Replacement Project**

CIP #15-023; SWI #15013

Date of Addendum: March 15, 2016
Date of Bid Opening: March 17, 2016 (Deleted)
New Bid Opening Date: **March 24, 2016 (Added)**

The following Addendum shall be made part of the Contract Documents. All other provisions of the Contract Document remain unchanged. The Bidder shall acknowledge receipt of the addendum on the Proposal by inserting the addendum number and date on the executed page of the Proposal. The contents of this Addendum shall be given full consideration in the preparation of the Bid.

ADDENDUM ITEM #1:

REVISED BID OPENING DATE:

The bid opening for the project has been delayed via this Addendum from March 17, 2016 to a new date of March 24, 2016 at 2:00 PM at City Hall. The location and all other requirements of the submission of the bids remain unchanged.

ADDENDUM ITEM #2:

CLARIFICATION TO THE TRIPLE CULVERT HEADWALL INSTALLATION:

The plans include the MAG 501-2 Headwall installation detail for the triple 42" culvert pipe installation. That MAG detail shows a double pipe installation. The headwalls shall be modified to accommodate the triple 42" diameter pipe installation using the pipe centerline control coordinates as shown on Sheet 4 of the plans. The headwall (and wings) shall be constructed to the dimensions shown on the attached Addendum #1, Exhibit A, Modified Headwall and Wings, dated March 15, 2016. The attached detail includes additional dimensions and control point information for the layout of the headwall and included wings. No additional measurement or payment will be made for the dimensional modifications. The headwalls will be measured and paid as included on the Bid Schedule per EA (each), which includes the modified wing walls as shown on the plans and the included details 505-1, 505-2 and 505-3 for complete in place installations.

HEADWALL INSTALLATIONS: Add attached detail Addendum #1, Exhibit A for clarification

ADDENDUM ITEM #3:

TS 106.2 SAMPLES AND TESTS OF MATERIALS (ADD THE FOLLOWING):

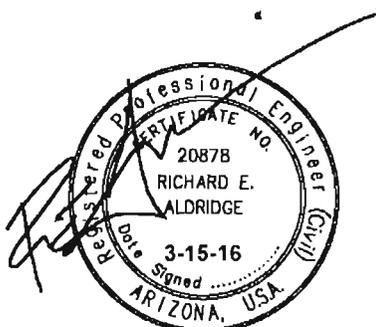

Contractor shall submit in writing all materials to be used in the project in accordance with ADOT Specification Section 106 and Subsection 730-4.
