A. Space Leases. Lessee may enter into a sublease with a Qualified Tenant for a portion of the Premises (hangar and/or office space) for activities allowed under this Lease using the Approved Lease Form in effect at the time of execution of such sublease ("Space Lease"). Unless and until modified by Lessor, the Notice of Intent to Sublease shall be in the form, and contain the information required in Exhibit "E" attached hereto. The Airport Manager shall have ten (10) business days within which to provide Lessee written notice of any objection that Lessor has to the identity or background of the proposed tenant or any of its principals, together with an explanation of the basis for Lessor's concern with such proposed tenant, and either (i) an outright rejection of Lessee's right to complete a sublease with such proposed tenant, or (ii) a statement of requirements that must be met with respect to the proposed tenant before a Space Lease can be entered into ("Objection Notice"). If the Airport Manager fails to issue such an Objection Notice with respect to any proposed tenant within the afore-described ten (10) business day period, then Lessor shall be deemed to have approved the proposed tenant, and Lessee shall be entitled to consummate the proposed Space Lease using the then applicable Approved Lease Form. With respect to each Space Lease created by Lessee, Lessor and Lessee agree as follows:

1. Each Space Lease shall be subject and subordinate to this Lease and the rights of Lessor hereunder, and the rights of a Permitted Encumbrance as provided for in this Lease;
2. Any act or omission by a tenant which constitutes a violation of any term of this Lease shall be deemed a violation of such provision by Lessee, it being the intention and meaning of the parties that Lessee shall assume and be liable to Lessor for any and all acts and omissions of any and all tenants that constitute violations of this Lease.
3. Lessee will provide to Lessor a copy of each Space Lease following execution of the same.

B. Other Leases. With the exception of Space Leases completed in accordance with paragraph A. above, Lessee may not enter into any lease or sublease all or any portion of the Premises without the Lessor's prior written approval. In the event Lessor consents to any such other lease or sublease, the provisions of paragraph A., parts 1 through 3 above shall apply to the same.

C. Encumbrances Approved by the City. Any proposed Encumbrance, or any Sublease (other than a Space Lease) of the Premises by Lessee must be first approved in writing by the Airport Manager. Any encumbrance or Sublease not approved by the City shall be void and any occupancy of the Premises by any person acting under such an Encumbrance or Sublease before City approval shall be a breach of this Lease. Any document used to encumber or Sublease the Premises shall incorporate the provisions of this Lease. The City may withhold consent to an Encumbrance or Sublease for any of the following reasons:

1. Lessee is in default of this Lease, whether or not notice of default has been given by the City.
2. The prospective Encumbrancer or Sublessee has not agreed in writing to be bound by this Lease.
3. The terms of the Encumbrance or Sublease have not been revealed in writing to the City.

4. Construction of any Improvements previously undertaken by Lessee have not been completed to the satisfaction of the City.
5. A processing fee of \$200 for approval of an Encumbrance or Sublease has not been paid to the Lessor by Lessee.

1. Permitted Encumbrance--Conditions Of. Tenant from time to time during the term of this Lease may make one or more Permitted Encumbrances, provided that.
 - (a) Each Permitted Encumbrance shall cover no interests in any real property other than Tenant's interest in the Premises, the Improvements and the Space Leases;
 - (b) The holder of such Permitted Encumbrance ("Mortgagee") shall promptly deliver to Lessor in the manner herein provided for the giving of notice to Lessor, a true copy of the Permitted Encumbrance(s) and of any assignment thereof, and shall notify Lessor of the address of the Mortgagee(s) to which notices may be sent;
 - (c) Permitted Encumbrance shall contain provisions permitting the disposition and application of the insurance proceeds and condemnation awards in the manner provided in this Lease.
2. Effect of Permitted Encumbrance. For the purpose of this Section the making of a Permitted Encumbrance shall not be deemed to constitute an assignment or transfer of this Lease, nor shall any Mortgagee, as such, be deemed an assignee or transferee of this Lease or of the leasehold estate hereby created so as to require such Mortgagee, as such, to assume the performance of any of the terms, covenants, or conditions on the part of Lessee to be performed hereunder; but the purchaser at any sale of this Lease in any proceedings for the foreclosure of any Permitted Encumbrance, or the assignee or transferee of this Lease under any instrument of assignment or transfer in lieu of the foreclosure of any Permitted Encumbrance, shall be deemed to be an assignee or transferee within the meaning of this Section and shall be deemed to have assumed the performance of all of the terms, covenants, and conditions on the part of Lessee to be performed hereunder from and after the date of such purchase and assignment.
3. Notice to Mortgagees. So long as any Mortgage shall remain a lien on Lessee's leasehold estate hereunder, Lessor agrees, simultaneously with the giving of any notice to Lessee (i) of default, or (ii) of a termination hereof, or (iii) of a matter on which a default may be predicated or claimed, or (iv) of a condition which if continued may lead to a termination hereof, to give duplicate copies thereof or of any process in any action or proceeding brought to terminate or otherwise in any way affect this Lease, to Mortgagee, and no such notice to Lessee or process shall be effective unless a copy of such notice is given Mortgagee in the manner herein provided for. Mortgagee will have the same period after receipt of the notice aforesaid to it for remedying the default or causing the same to be remedied as is given Lessee after notice to it plus twenty (20) days thereafter, and Lessor agrees to accept such performance, on the part of the Mortgagee as though the same had been done or performed by Tenant.
4. Mortgagee Cures. Lessor will take no action to effect a termination of this Lease by reason of any default without first giving to Mortgagee reasonable time within which either (i) to obtain possession of the Premises (including possession by a receiver) and thereafter to cure such default if the default be one which can be cured with the exercise of reasonable diligence by Mortgagee, or (ii) to institute foreclosure proceedings and to complete such foreclosure, or otherwise to acquire Lessee's interest under this Lease with

diligence and without unreasonable delay in the case of a default which cannot be cured with the exercise of reasonable diligence by the Mortgagee. In either such case, the default of which notice shall have been given shall be deemed cured. The Mortgagee shall not be required to continue such foreclosure proceedings if the default shall be cured by Lessee; provided, further, that nothing herein shall preclude Lessor from exercising any rights or remedies under this Lease with respect to any other default by Lessee during any period of such forbearance.

5. Conditions of Cure. The provisions of the preceding paragraph and this paragraph are conditioned on the following: The Mortgagee shall, within thirty (30) days after notice of such default:

(a) Notify Lessor of its election to proceed with due diligence promptly to acquire possession of the Premises or to foreclose the Permitted Encumbrance or Premises or otherwise to extinguish Lessee's interest in this Lease; and

(b) Deliver to Lessor an instrument in writing duly executed and acknowledged wherein such Mortgagee agrees that:

(1) During the period that Mortgagee shall be in possession of the Premises and so long as it remains in possession and/or during the pendency of any such foreclosure or other proceedings and until the interest of Lessee in this Lease shall terminate or such proceeding shall be discontinued, it will pay or cause to be paid to Lessor all sums from time to time becoming due hereunder for Base Rent; and

(2) If delivery of possession of the Premises shall be made to such Mortgagee, whether voluntarily or pursuant to any foreclosure or other proceedings or otherwise, such Mortgagee shall, promptly following such delivery of possession, perform all the covenants and agreements herein contained on Lessee's part to be performed (including but not limited to payment of net rent) to the extent that Lessee shall have failed to perform the same to the date of delivery of possession, as aforesaid, except such covenants and agreements which cannot with the exercise of due diligence be performed by such Mortgagee. Nothing in this (2) shall be construed to require such Mortgagee to perform any of the Lessee's obligations hereunder accruing after such Mortgagee ceases to be in possession.

6. Mortgagee Consent. This Lease shall not be modified or surrendered to Lessor or cancelled by Lessee, nor shall Lessor accept a surrender of this Lease without the prior written consent of Mortgagee, nor shall any merger result from the acquisition by, or devolution upon, any one entity of the fee and leasehold estates in the Premises.

7. Lessor Option To Purchase Mortgagee's Interest. Before exercising the power of sale or instituting foreclosure proceedings under the Permitted Encumbrance, Mortgagee shall first offer to the City and the City shall have the right to purchase all right, title, and interest in all property encumbered by the Permitted Encumbrance directly from trustee, and without public sale, for the then outstanding balance due on the note or notes secured by the Permitted Encumbrance, plus trustee's fees and costs of sale. The offer to the City shall be made no later than ten (10) days following the filing of Notice of Default, and the City may exercise the option to purchase within three (3) months following the filing.

E. Assignees Bound. Every assignee, whether as assignee or as successor in interest of any assignee of Lessee herein named or as assignee of the holder of any Permitted Encumbrance,

or as successor in interest of any assignee, including any purchaser of under a foreclosure of any Permitted Encumbrance, shall immediately be and become and remain liable for the payment of all rent coming due hereunder, and for the due performance of all the covenants, agreements, terms, and provisions hereof on Lessee's part to be performed to the end of the term hereof, and every provision of this Lease applicable to Lessee shall apply to and bind every such assignee and purchaser with the same force and effect as though such assignee or purchaser were the Lessee named in this Lease. No transfer to such assignee or to such purchaser shall be binding upon Lessor unless such assignee or purchaser shall deliver to the Lessor a recordable instrument which contains a covenant of assumption by said assignee or purchaser to such effect, but the failure or refusal of such assignee or purchaser to deliver such instrument shall not release or discharge such assignee or purchaser from its obligations and liability as above set forth. Subsequent to the completion of the Initial Improvements and the discharge of all obligations in connection therewith, upon any assignment of this Lease, and the delivery of the instruments above referred to, the assignee shall be released from the performance of all of the obligations on the part of Tenant thereafter to be performed hereunder, except any obligation to hold and apply insurance or other monies held by assignor on the date of the assignment and any unperformed obligations which shall have matured prior to such assignment.

F. Limitation on Third Party Transfers for Value. If Lessee sells, assigns, conveys or otherwise transfers for value to a third party more than fifty percent (50%) of its interest in this Lease, or sells, assigns, conveys or otherwise transfers to a third party for value more than fifty percent (50%) of its business to another entity, then a conveyance fee equal to five percent (5%) of the sales price for the transferred interest shall be paid to the City, provided, however, that in no event shall this conveyance fee be less than \$10,000.00. The applicability of such conveyance fee is intended to be limited to third party transactions. It and shall not apply where Lessee (or the members of Lessee) are conveying interests in the Lease (or in Lessee) to family members or trusts or other vehicles in which family members hold beneficial interests, whether such conveyances occur as part of estate or family planning activities or as a result of the death of one or more of the members of Lessee.

ARTICLE XIII. DEFAULT BY LESSEE

A. Lessee Default. Should Lessee default in the performance of this Lease, the City shall give written notice to Lessee and any Mortgagee holding an interest under a Permitted Encumbrance, of the default and what must be done to correct the default and the period of time in which Lessor has to cure such default. If the default is monetary in nature, the cure period shall be no less than 10 business days. If the default is non-monetary in nature, the cure period shall be no less than thirty days; provided that if at the end of any applicable cure period, Lessee is diligently pursuing a cure of the default, then such period shall be extended up to an additional 60 days provided that Lessee continues to diligently pursue such cure. If the default as noticed by the City is not corrected within the applicable cure period, the City may declare this Lease terminated. In the event of any such termination, Lessor and/or its designee shall have the right to re-enter the premises and remove there from all persons and personal property of the Lessee and may pursue any other remedy provided for herein or under applicable law, or Lessor may treat this Lease as continuing and take, have, and recover any damages it may have sustained or continue to sustain by reason of such continuing breach. All rights of Lessee and those who claim under or through Lessee shall expire and be of no further force and effect at time of any such termination; subject, however, to the continuing rights under Article XII, if any, of a Mortgagee holding a Permitted Encumbrance. If any Lessee default noticed by Lessor hereunder relates to any act or omission of a tenant under a Space Lease (including, without limitation, any act or omission described in Article XIX), Lessee's termination of the rights of the defaulting tenant under its Space Lease shall be deemed to be an effective cure of such default under this Lease, so long as such termination results in or is accompanied by a cure of the condition giving rise to the default.

B. Quitclaim Upon Termination. Upon termination of this Lease for any reason, Lessee shall execute, acknowledge and deliver to the City within thirty (30) days after receipt of written demand therefor, a good and sufficient document whereby all title and interest of Lessee in the Premises is quitclaimed to City.

ARTICLE XIV. TERMINATION OF LEASE BY THE CITY

A. If the City should need the Premises during the term of this Lease for future expansion or operation of the Airport, the City may terminate this Lease by giving Lessee one-hundred-eighty (180) days prior written notice. Within thirty (30) days following the giving of such notice, Lessee and Lessor shall each identify an appraiser to conduct appraisals of the Lessee's interest in the Property. The cost of both appraisals shall be paid by the Lessor. Each appraiser shall be instructed to independently arrive at the fair market value of the Lessee's interest in the Property (the leasehold interest under this lease and the Improvements) taking into account the income producing capacity of the Property as a whole during the remaining term of the lease and any remaining extension periods. The mathematical average of the valuations arrived at by the two appraisers shall be the "Buy Out Price".

B. Upon the Effective Date of the termination, Lessor shall pay to or for the benefit of Lessee and any Mortgagee, in cash, the greater of (1) the Buy Out Price, or (2) the outstanding balance secured by the Permitted Encumbrance, whereupon all Improvements shall become the sole property of the City.

ARTICLE XV. TERMINATION BY LESSEE

If during the initial term of this Lease the City should, in the opinion of the F.A.A., fail to maintain the landing areas in a safe condition for aircraft operations, or any ordinance or law should become effective, the terms of which so restrict the uses to which the Premises may be put, such that Lessee is unable to continue the use and occupation of the Premises substantially in the manner as allowed by this Lease, Lessee may terminate this Lease by giving the City sixty (60) days prior notice of termination. Upon the effective date of termination Lessor shall pay to or for the benefit of Lessee and any Mortgagee the greater of (1) the construction cost of all Improvements divided by the number of years in the initial lease term and then multiplied by the number of whole years remaining under the lease, or (2) the then outstanding balance due under all Encumbrances approved by the City for the construction of Improvements. Upon making such payment all Improvements shall become the property of Lessee.

ARTICLE XVI. DISPOSITION OF IMPROVEMENTS

A. Ownership of Improvements. All Improvements installed by Lessee shall be and remain the property of Lessee during the term of this Lease. Upon the expiration or termination of this Lease, the Improvements shall become the property of the City.

B. Disposition of Improvements Upon Termination. Upon termination or expiration of this Lease, Lessee shall not be required to remove from the Premises any Improvements that had been approved by Lessor at the time of their construction or installation.

ARTICLE XVII. EMINENT DOMAIN

A. General. If all of the Premises is condemned by a public entity in the lawful exercise of the power of eminent domain, this Lease shall terminate upon the date possession is taken by the public entity. If only a part is condemned and the taking of that part does not substantially impair the capacity of the remainder to be used for the purposes allowed by this Lease, Lessee shall continue to be bound by the terms, covenants and conditions of this Lease, except, the monthly rental shall be reduced in proportion to the relationship that the compensation paid by the public entity for the portion of the Premises condemned bears to the value of the whole of the Premises

as of the date possession of the part is taken by the public entity. If only a part is condemned and the taking of the part substantially impairs the capacity of the remainder to be used for the purposes allowed by this Lease, Lessee shall have the option to:

1. Terminate this Lease and be absolved of all obligations hereunder which have not accrued at the date possession is taken by the public entity; or
2. Continue to occupy the remainder of the Premises and remain bound by the terms, covenants and conditions of this Lease. If Lessee elects to continue to occupy the remainder, the monthly rental shall be reduced in proportion to the relationship that the compensation paid by the public entity for the portion of the Premises condemned bears to the value of the whole of the Premises as of the date possession of the part is taken by the public entity.

Lessee shall give notice in writing of its choice of remedies hereunder within thirty (30) days of the date possession of the part is taken by the public entity. If Lessor and Lessee can not agree as to whether a partial taking substantially impairs the capacity of the remainder to be used for the purposes allowed by this Lease, then they shall submit the issue to mediation in accordance with Article XXII.

B. Division of Award. If the order or decree in any condemnation or similar proceeding shall fail separately to state the amount to be awarded to the Lessor and the amount to be awarded to the Lessee under the provisions of this Article XVII, by way of compensation, damages, rent, the cost of demolition, removal or restoration or otherwise, and if the Lessor and the Lessee cannot agree thereon within thirty (30) days after the final award or awards shall have been fixed and determined, such dispute shall be determined in accordance with Article XXII hereof.

C. Rights of Participation. Each party shall have the right, at its own expense, to appear in any condemnation proceeding and to participate in any and all hearings, trials, and appeals therein. In addition, Lessor agrees to cooperate fully with Lessee to prevent any condemnation or eminent domain proceeding to be instituted or otherwise successfully prosecuted.

D. Notice of Proceeding. In the event Lessor or Lessee shall receive notice of any proposed or pending condemnation proceedings affecting the Premises, the party receiving such notice shall promptly notify the other party of the receipt and contents thereof.

ARTICLE XVIII. RESERVATIONS TO THE CITY

A. Reservation for Utility Installations. The Premises are accepted by Lessee subject to any and all existing easements and encumbrances on the Premises. The City may, at no cost to Lessee, install, lay, construct, maintain, repair and operate water, oil, gas, sanitary sewer, storm water, telephone, communication lines, conduits, and equipment and appurtenances in, over, across and along the Premises so long as it promptly repairs any damage or disturbance to the Premises or the Improvements caused in exercising such rights. No right reserved by the City in this Article shall be so exercised as to interfere unreasonable with Lessee's operations hereunder or impair the security of the Mortgagee. The City agrees that rights granted to third parties shall contain provisions that the surface of the land shall be restored as nearly as practicable to its original condition upon the completion of any construction. The City further agrees that should the exercise of these rights temporarily interfere with the use of any or all of the Premises by Lessee, the rental shall be reduced in proportion to the interference with Lessee's use of the Premises.

B. General Inspection Right. The City reserves the right for the Airport Manager or his/her designee, and upon presentation of identification confirming that person's employment with the City, to have access to, enter, and be upon the Premises with or without notice at all times to perform the duties of and related to airport operations and maintenance. The City further reserves

the right for the Airport Manager or his/her designee to enter the premises during normal business hours and conduct inspections of the entire premises for compliance with the provisions of this Lease. At least 24 hours prior written notice shall be given by the City with respect to each exercise of this right.

ARTICLE XIX. FEDERAL AVIATION ADMINISTRATION REQUIREMENTS

If there is any conflict between the provision in this Article and the other provisions in this Lease, the provisions in this Article shall take precedence.

A. Lessee for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the Premises for a purpose for which a United States Department of Transportation (DOT) program or activity is extended or for another purpose involving the provision of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

B. Lessee for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of Lessee 's facilities; (2) that in the construction of any Improvements on, over, or under such Premises and the furnishing of services thereon, no person on the ground of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination; (3) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

C. In the event of Lessee's breach of any of the above nondiscrimination covenants, the City shall have the right to terminate this Lease and to re-enter and re-possess such land and the facilities thereon and hold the same as if this Lease had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed including expiration of appeal rights.

D. Lessee shall furnish its accommodations and services on a fair, equal and not unjustly discriminatory basis to all users thereof and it shall charge fair, reasonable and not unjustly discriminatory prices for each unit or service; PROVIDED, THAT Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates or other similar type of price reductions to volume purchasers.

E. Non-compliance with Provision "D" above shall constitute a material breach thereof and, in the event of such non-compliance, the City shall have the right to terminate this Lease and the estate hereby created without liability therefore, or at the election of the City or the United States either or both said Governments shall have the right to judicially enforce said Provisions.

F. Lessee agrees that it shall insert the above five (5) Provisions in any sublease, contract or agreement by which said Lessee grants a right or privilege to any person, firm or corporation to render accommodations and/or services to the public on the Premises herein leased.

G. Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Lessee assures that it will require that its covered suborganizations provide assurances to Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

H. The City reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee without interference or hindrance.

I. The City reserves the right but shall not be obligated to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard.

J. This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between the City and the United States, relative to the development, operation or maintenance of the Airport.

K. There is hereby reserved to the City, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises herein leased. This public right of flight shall include the Premises herein leased. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from or operation on the Airport.

L. Lessee agrees to be responsible for and comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event future construction of a building is planned for the leased Premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the leased Premises.

M. Lessee, by accepting this, expressly agrees for itself, its successors and assigns that it will not erect nor permit the erection of any structure or object, nor permit the growth of any tree on the land leased hereunder which conflicts with any portion of Part 77 of the Federal Aviation Regulations. In the event the aforesaid covenants are breached, the City reserves the right to enter upon the land leased hereunder and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of Lessee.

N. Lessee, by accepting this Lease, agrees for itself, its successors and assigns that it will not make use of the leased Premises in any manner which might interfere with the taxiing, landing, and taking off of aircraft from said Airport or otherwise constitute a hazard. In the event the aforesaid covenant is breached, the City reserves the right to enter upon the Premises hereby leased and cause the abatement of such interference at the expense of Lessee.

O. Nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 U.S.C. 1349a).

P. This Lease and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire, affecting the control, operation, regulation and taking over of said Airport or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

Q. The Lessee will conform to airport, Federal Aviation Administration, and Transportation Security Administration safety and security rules and regulations regarding the use of the airport including but not limited to use of the airport operations areas, runways, taxiways, aircraft aprons by vehicles, employees, customers, visitors, etc. in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; will complete and pass airfield safe driving instruction program when offered and/or required by the airport: and will be subject to penalties as prescribed by the airport for violation of the airport safety and security requirements.

ARTICLE XX. HAZARDOUS MATERIALS

A. Definitions.

- (1) *Hazardous Materials Laws* means any Federal, State or local law, ordinance, rule, order, regulation or court decision relating to Hazardous Materials.
- (2) *Hazardous Materials* means any substance or other material that:
 - (a) is defined as a hazardous substance, hazardous material, hazardous waste or toxic substance under any Hazardous Materials Law or is a flammable or explosive material (including gasoline, diesel, aviation fuels, lubricating oils, and solvents), asbestos, radioactive material, nuclear medicine material, drug, vaccine, bacterial, virus, or injurious or potentially injurious matter; or
 - (b) is controlled or governed by any Hazardous Materials Law.

B. Hazardous Material Handling, Spills, and Cleanup. Lessee shall comply with any Material Hazardous Law in the storage, distribution, processing, handling or disposal of any Hazardous Materials. If during the term of the Lease any Hazardous Material spills, leaks, or is discharged on or from the Premises, Lessee shall immediately make all repairs necessary to prevent further spills, leaks or discharges and shall immediately clean up the spill, remove any contaminated soil and promptly dispose of the spilled Hazardous Material and soil in the manner prescribed by Hazardous Materials Laws. If Lessee fails to immediately clean up the spill or properly dispose of any contaminated soil the City may, upon twenty-four (24) hours written notice to Lessee, take whatever action is necessary to clean up the spill and dispose of any contaminated soil. Lessee shall reimburse the City for the cost of all such work by the City within thirty (30) days from receipt of a bill from the City. Notwithstanding the foregoing, as between Lessee and Lessor, Lessee shall not be responsible for the cost of handling, removing and disposal of (a) any Hazardous Material which is determined to have been present on or below the Premises at the inception of this Lease, and (b) any material (whether or not a Hazardous Material) deposited on the Premises by any person exercising rights under the public right of flight reserved by the City under Article XIX, paragraph K. of this Lease.

C. Termination. Upon termination of this Lease, Lessee shall, at Lessee's cost, remove any equipment utilized in connection with any Hazardous Materials and shall clean up, detoxify, repair and otherwise restore the Premises to a condition free of Hazardous Materials, to the extent such condition is caused by Lessee or any assignee or sublessee of Lessee or their respective agents, contractors, employees, licensee or invitees.

D. Default. The release or discharge of any Hazardous Materials or violation of any Hazardous Materials Law by Lessee or any assignee or sublessee of Lessee shall be a material default by Lessee under the Lease, subject to the notice and cure provisions of Article XIII. In addition to or in lieu of the remedies available under the Lease as a result of such default, the City shall have the right, without terminating the Lease, to require Lessee to suspend its operations and activities on the Premises until the City is satisfied that appropriate remedial work has been or is being adequately performed. The City's election to suspend Lessee's operations shall not

constitute a waiver of the City's right thereafter to declare a default and pursue other remedies set forth in the Lease.

ARTICLE XXI. DEFAULT BY LESSOR

In the event of any breach by Lessor of any of the covenants, agreements, terms, or conditions hereof, Lessee, in addition to any and all other rights, shall be entitled to enjoin such breach and shall have the right to invoke any right and remedy allowed at law or in equity or by statute or otherwise for such breach.

ARTICLE XXII. DISPUTE RESOLUTION; MEDIATION

All claims, disputes and other matters in controversy (herein called "**dispute**") arising out of or related to any provision in this Agreement shall be resolved exclusively according to the procedures set forth in this Article XXII. No party to this Agreement shall commence any litigation proceeding against the other unless such party shall first give a written notice (a "**Dispute Notice**") to the other party setting forth the nature of the dispute. Each party shall designate a senior executive officer to act on its behalf and to attempt in good faith to resolve the dispute by mediation under the Commercial Mediation Rules of the American Arbitration Association (AAA) in effect on the date of the Dispute Notice. If the parties cannot agree on the selection of a mediator within twenty (20) days after delivery of the Dispute Notice, the mediator will be selected by the AAA. If the dispute has not been resolved by mediation as provided above within ninety (90) days after delivery of the Dispute Notice, then either party may thereafter elect to seek resolution of the dispute through legal process (litigation).

ARTICLE XXIII. MISCELLANEOUS PROVISIONS

B. Amendments. This Lease sets forth all of the agreements and understandings of the parties and any modification of this Lease must be written and executed by Lessor and Lessee.

C. Force Majeure. If by reason of force majeure, Lessee cannot perform any obligation of this Lease, it shall give notice of the force majeure to the City in writing within ten (10) days of the occurrence relied upon. The obligation of Lessee, to the extent and for the period of time affected by the force majeure, shall be suspended. Lessee and Lessor shall jointly endeavor to remove or overcome the inability with all reasonable effort. For purposes of this provision, "force majeure" shall mean acts of God, landslides, lightning, earthquakes, hurricanes, storms, floods, or other natural occurrences; strikes, lockouts, insurrections, riots, wars, or other civil or industrial disturbances; orders of any kind of the Federal or State government or of any civil or military authority; explosions, fires, breakage or accidents to machinery, lines, or equipment, or the failure of the system or water supply system; or any other cause not reasonably within the control of Lessee. Force Majeure shall not include financial inability and shall not excuse Lessee from paying any monthly rental or other charge as required by this Lease.

O. Waiver. The waiver by the Lessor of any breach or breaches by the lessee of any one or more of the covenants, agreements, conditions, or obligations herein contained or the acceptance of any delinquent payments shall not bar the Lessor's right to declare a forfeiture or to employ any other rights or remedies of the said Lessor in the event of any subsequent breach of any such or other covenants, agreements, conditions, or obligations. Any entry and/or re-entry by the Lessor, whether had or taken under what is generally known as summary proceedings, or otherwise, as provided by the terms of this lease, shall not be deemed to absolve or discharge the Lessee from liability hereunder.

Q. Time Is Of Essence. Time is of the essence in this agreement. S. Attorneys Fees. The parties hereto expressly covenant and agree that in the event of litigation arising from this Agreement, neither party shall be entitled to an award of attorneys' fees, either pursuant to the Lease, pursuant to ARS Section 12-341.01 (A) and (B), or pursuant to any other State or Federal Statute.

SECTION

INTRODUCTION:

The use and leasing of public airport facilities is a complex process in which consideration must be given to compliance with various federal, state, and city policies and requirements. Various federal documents provide guidance and compliance requirements for using and leasing airport facilities, including:

- ❖ FAA Federal Grants Assurances
- ❖ FAA Order 5190.6, Airport Compliance Program
- ❖ FAA Order 5100.38, Airport Improvement Program Handbook
- ❖ FAA AC 150/5190-6, Exclusive Rights at Federally Obligated Airports
- ❖ FAA AC 150/5190-7, Minimum Standards for Commercial Aeronautical Activities

The current edition of these documents, and any other related federal, state, and local documentation, should be consulted during the process of negotiating aviation agreements. Additionally, local legal counsel should review any legally binding agreement prior to execution.

Airport operators have found that the best method of ensuring fairness, consistency, and compliance in the leasing of airport facilities is through development of three key instruments, which are:

- ❖ An effective local lease policy
- ❖ Minimum Standards for Commercial Aeronautical Activities
- ❖ An effective airport lease agreement

This section presents Minimum Operating Standards for Commercial Aeronautical Activities. Minimum Standards are defined by the FAA as the “qualifications which may be established by an airport owner as the minimum requirements to be met as a condition for the right to conduct an aeronautical activity on the airport.” Accordingly, minimum standards should provide a fair and reasonable opportunity, without unlawful discrimination, to all applicants to qualify, or otherwise compete, to occupy available airport land and/or improvements and engage in authorized aeronautical activities. In essence, minimum standards establish base line, or “minimum”, requirements and qualifications to ensure a safe and specified level of service for the community, as well as fairness and consistency in the leasing of airport facilities.

CITY OBJECTIVES

The City of Prescott owns and operates Prescott Municipal Airport (Ernest A. Love Field) for the benefit of the local community and the state and national air transportation system. The City desires to ensure that the public receives a safe and reasonable standard of aeronautical services. The City also desires to provide a fair and reasonable opportunity, without discrimination, to all qualified parties interested in leasing facilities and providing commercial aeronautical services at Prescott Municipal Airport. The City also desires to comply with State and Federal policy and regulations to the leasing of airport facilities and property including but not limited to the public advertisement of leasing opportunities and public notice of intent to lease airport facilities or land.

Accordingly, the objective of the City of Prescott in promulgating these minimum standards for commercial aeronautical activities is to:

- ❖ Provide a fair and consistent mechanism for leasing of facilities and provision of aeronautical services at Prescott Municipal Airport.
- ❖ Maintain compliance with State and Federal policy, regulations, and grant assurances.

These minimum standards contained herein should not be considered all-inclusive of the requirements that must be met to operate a commercial aeronautical activity at Prescott Municipal Airport. All commercial activities located at the airport will be subject to all applicable federal, state and local laws, codes and ordinances and other similar regulatory measures, including airport rules and regulations. Also, a written agreement with the City of Prescott is required prior to commencement of any commercial service or activity. Furthermore, the minimum standards contained herein may be revised, supplemented, and/or amended by the City from time to time in such a manner as to reflect changes at the airport and fairness and consistency to all existing and prospective future airport tenants.

FEDERAL/STATE POLICY

The City of Prescott accepts Federal and State funding for airport development projects at Prescott Municipal Airport, and consequently must comply with Federal and State regulations and policy. As set forth in the Airport and Airways Improvement Act of 1982, as amended, and the Airport Improvement Program sponsor assurances, “the sponsor of an airport that has received federal grant assistance is required to operate the airport for the use and benefit of the public, and to make it available for all types, kinds, and classes of aeronautical [commercial] activity.”

Federal Aviation Administration Advisory Circular (AC) 150/5190-7, as may be amended, provides basic information and guidance pertaining to minimum standards and state grant obligations involves several distinct requirements. Most important is that the airport and its facilities must be available for public use. The terms imposed on those who use the airport and its services must be reasonable and applied without unjust discrimination. Upon acceptance of federal grants for development of airport facilities, the City must agree to comply with numerous federal grant assurances.

Any lease, license, permit or agreement with or from the City, entered into prior to adoption of these minimum standards, shall have 12 calendar months from the effective date of these minimum standards to be in compliance with these minimum standards except as specified in Section 1.2 Paragraph 3. The mere omission of any particular standard from a commercial operator's lease, license, permit or agreement with the City shall not constitute a waiver or modification of such standard in the absence of clear and convincing evidence that the City intended to waive or modify such standard.

3. Any lease, license, permit or agreement with or from the City, entered into prior to adoption of these minimum standards, is excluded from the facility/space requirements of these minimum operating standards until such time as any expiration, or renegotiation of any term of the lease, license, permit or agreement occurs or a material decrease, increase or expansion of activities occurs, at which time these minimum standards will be deemed to be a part of each commercial operator's lease, license, permit, or agreement with or from the City.
