## **I. Intent of Offering**

The City of Prescott (the “City”) is seeking proposals from qualified Respondents to this Request for Proposals (RFP) to purchase the historic Elks Opera House (also referred to herein as the “Site,” “Property, or “Elks Theatre”), subject to the conditions, covenants, and restrictions identified herein and/or as may otherwise be included in the final Agreement for Sale and Purchase, assuring that the Site continues to function perpetually as a venue and facility for performing arts and related uses and purposes. Respondents should have experience in and/or be able to demonstrate the capacities and capabilities for, and long-term commitment to, the development, management, operation, production, promotion, preservation and maintenance activities necessary to successfully implement said uses.

- B. Maintain the historic quality and integrity of the Elks Theatre, a haven for theatre and culture in Prescott for more than one hundred years; ensure continuation of the historic uses and purposes and community benefits of the theatre, including a regular schedule of events keeping the Elks Theatre active and vibrant.
- C. Reinforce and promote mutually beneficial relationships among the Elks Theatre, downtown businesses, and local government, by serving as an economic generator.
- D. Respect and capitalize on the rich history of the Elks Theatre both as a local amenity and tourism attraction.
- E. Complement and maintain the Site’s unique historic interior and exterior features.
- F. Achieve, maintain, restore and preserve the highest quality of historic architectural and interior design.
- G. Preserve the historic quality, maintain and when necessary renovate the Elks Theatre to:
  1. Ensure the comfort and safety of patrons and employees.
  2. Enhance the experience of patrons.
  3. Incorporate preservation and maintenance of the historic character of the theatre, services, amenities, and support facilities necessary to attract and accommodate a range of events and providing for enhanced visitation and

operation, including striving to increase the public use, enjoyment and benefit from the Elks Theatre and provide sufficient resources for the promotion and production of a variety of events annually.

- H. Achieve positive economic and cultural impacts for the City including the enhancement of tourism.
- I. Sale of the property for an equitable and reasonable current market value that encompasses and acknowledges the current appraised value, grant funds, philanthropic donations, prior City expenditures, the public and private efforts in the restoration and reconstruction of the Elks Theatre, and the perpetuation of the public use and enjoyment of it.
- J. Create a privately funded and operated community facility which will augment continued theatre operations with other arts programs.
- K. Operate the Elks Theatre in compliance with and hold the City of Prescott harmless from all existing and continuing conditions, covenants and restrictions which arise from or related to the ownership, operation, maintenance or past funding for the purchase, restoration or operation of the Elks Theatre and improvements.

For the purpose of arriving at mutually satisfactory terms and conditions for a successful Agreement for Sale and Purchase, in addition to incorporating the goals as expressed above, the City will consider all benefits resulting from the proposal including future funding capability and commitment of resources to sustain the Elks Theatre as a premiere arts facility and performance venue for the benefit of the public, including but not limited to, future financial obligations for operation, maintenance, and planned enhancements to the Site, and expansions of current uses and benefits that would be valuable considerations to the public.

## **II. Background and Site Description**

The Elks Theatre is located on Elks Hill within the historic and scenic Prescott downtown, and consists of approximately 15,573 square feet, including the restored historic theatre and performance hall.

Originally opened February 20, 1905, the historic theatre is listed in the National Register of Historic Places along with the Elks Theatre building, of which the theatre is a portion. The National Register Listing was added in 1978 (registration #7800322). Significant restoration and construction work was completed during the years 2004 and 2007, as well as a major restoration encompassing the foyer, lobbies, house, concession area, men's and ladies lounges, balcony, stage and marquee which was completed on July 20, 2010.

Accolades for the Elks Opera House include:

- Arizona Governor's Award for Historic Preservation in 2007 for restoring "Bill" the elk to its historic place atop the building
- First Lady Laura Bush declared the City of Prescott a "Preserve America Community" in 2004 with the Elks Opera House as the focus
- The National Trust for Historic Preservation named Prescott one of a "Dozen Distinctive Destinations" in 2006, partially as a tribute to the restoration work on the Elks Opera House

There are approximately 500 theatre seats including eight opera boxes meticulously restored to resemble the performance hall as it appeared in 1905.

In addition to its intrinsic value as a theatre, a unique historic landmark, and repository of thousands of theatre-going and movie memories, the Elks Theatre, proximate to scenic Yavapai County Courthouse Plaza, is also an important anchor for Prescott's downtown business district which attracts visitors from throughout Arizona, the United States, and many other countries. Well known personages have performed at the theatre for many years, and patrons frequent nearby businesses during their visits to the theatre. A significant number of visitors have relocated to Prescott upon experiencing its unique stature as "Everyone's Hometown" and "Arizona's Christmas City." This lovingly restored, historic theatre will be sold in "as is" condition, and will be subject to appropriate deed and sale restrictions designed to ensure its historic and community significance for future generations.

The purchase of the Elks Opera House includes equipment, personal property assets and amenities of the theatre, and materials listed on Exhibit E, including wedding chairs, tables, a scissor lift, stage curtains, a number of scenic sets, and other theatre related equipment, all of which will be included in the sale in "as-is" condition, and the City makes no guarantee or warranties as to these items. Office equipment belonging to the City as well as the cable, fiber optic, telephone, liquor license and other equipment of the City not listed in Exhibit E will not be included in the sale of the Elks Opera House.

### **III. Standards and Controls**

Mechanisms for such acceptance and assumption may include covenants and/or easements in favor of the City, accompanied by applicable deed provisions and reversionary interest provisions as necessary to ensure the conditions of sale, and to preserve,

as a minimum, the historical attributes and appearance of the structure, both interior, and exterior. The property will be sold in “as is” condition; the City will make no warranties regarding any sale. Buyers will have the opportunity to perform their own respective reasonable due diligence investigations.

- C. The Property may contain environmental hazards requiring abatement and remediation by the Purchaser. The City makes no representation, guaranty, or warranty concerning any site conditions, including the possible presence of environmentally hazardous materials. The Site is being offered in “as is” condition; the Agreement for Sale and Purchase will reflect that the buyer is assuming responsibility for any such conditions or hazards.
- D. All new mechanical equipment, antennas, satellite dishes, or other communication antennas visible to the surrounding community or site-adjacent streets shall be screened from view.
- E. Any loading or maneuvering of service vehicles, as well as any other related service activities necessary for development, shall not impede traffic on or around the adjacent streets. All service areas shall be adequately screened from view at street level and from other proximate uses.

- G. - I. All plans and specifications for restoration, modification, alteration, and/or new construction shall be in compliance with the protective covenants established in the Agreement for Sale and Purchase and running with the land. When in possession of the Property, the Purchaser shall make presentations of any such proposed to the community, City, and other organizations and parties as necessary.
- J. Following the sale and purchase, the City of Prescott will cease participating financially in the Property.
- K. Successful purchaser shall honor all existing contracts for performances scheduled, theatre bookings, and all other contracts existing at the time of sale,

including existing storage and space, and other contract provisions which the City currently has with the owners of the remaining portions of the building.

- L. The City of Prescott reserves the exclusive right to convey and assign all rights reserved under the First Right of Refusal to another organization or entity that shares the vision for the protection and enhancement of the Elks Theatre.

#### **IV. Relationship and Role of the Elks Opera House Foundation**

The Elks Opera House Foundation was organized in 2002 as an Arizona non-profit corporation, tax exempt under IRS 501(c)(3) regulation. Among the initial purposes of the Foundation was the restoration of the opera house within the Elks Building.

In concert with completion of building renovation and code compliance work by the City of Prescott, owner of the theatre space and marquee, at a total cost in excess of \$1.8 million including the purchase price of its real property interest, the Foundation invested \$1.75 million in restoration of the house to the 1905 appearance. The marquee, foyer, and first and inner lobbies were also renovated/restored as closely to the original as possible.

Today the principal role of the Foundation is that of an independent producer, investing in varied productions to ensure to all benefactors and patrons that the opera house continues into the future reflecting the brilliance of the past.

The City shares with the Foundation an interest in a continuing role for this organization in the Elks Opera House surviving conveyance of the City's property interest to a successor.

#### **V. Remainder of Building**

This Request for Proposals contemplates that the party purchasing the City's interest in the Elks Opera House will also be successful in negotiating a concurrent, separate purchase of the remainder of the building, which is privately held, and for which the City has existing agreements pertaining to party walls, exterior maintenance, etc. Accordingly, the Agreement for Sale and Purchase will provide for simultaneous escrows and contemporaneous closings for the separately owned portions of the Elks building and Site in order to better coordinate the various legal issues and agreement among the parties. It is anticipated that a twelve (12) month period will be provided in the respective agreements for vacating of the privately owned portion of the Elks building following the escrow closings.

In the event the prospective Purchaser of the City's interest is unable to successfully negotiate purchase of the remainder of the building, neither the prospective Purchaser nor the City shall be obligated to consummate an Agreement for Sale and Purchase.

## **VI. Proposal Content**
