PROJECT UPDATE

RUNWAY 21L-3R RUNWAY SAFETY AREA IMPROVEMENT PROJECT

April 12, 2012

As you may have heard, the City has awarded the construction contract for the planned runway safety area project. Currently efforts are under way to coordinate and prepare for the start of construction anticipated for the week of May 8th.

As the project draws closer, we will be able to provide a refined schedule and anticipated impacts. Please remain aware of the NOTAMs for Prescott as they will be the official sources of information for airfield impacts.

If you have any questions, please feel free to contact me.

Sincerely,
Benjamin Vardiman, ACE
Airport Manager
