

# ROADWAY PROJECT

## AUTUMN BREEZE STREET IMPROVEMENTS PROJECT

*September 3, 2015*

The Autumn Breeze Street Improvement Project generally consists of constructing roadway, drainage and pedestrian access improvements along Autumn Breeze from Nathan Lane to Spring Trail.

Woodson Engineering was selected as the design engineer for this project. Contract negotiations have been completed. The engineering design contract was awarded at the July 14, 2015 City Council meeting. The design contract is anticipated to be completed in the Spring of 2016. Meetings for the project will be held with individual residents.
