ROADWAY PROJECT

BASHFORD COURT ALLEY RECONSTRUCTION PROJECT

MAY 1, 2015

The Bashford Court Alley Reconstruction Project generally consists of reconstructing the severely deteriorated concrete and asphalt pavement in the alley bounded by Montezuma Street, Cortez Street, and Willis Street. Sewer replacement is also included.

Advertising for Statements of Qualifications to provide engineering design services commenced on November 23, 2014. Statements of Qualifications were received on December 11, 2014. The SOQ's have been reviewed by City staff and the ranking of candidates has been completed. Lyon Engineering was selected for this project. Contract negotiations have been completed with Lyon Engineering. The engineering design contract is scheduled for award at the May 26, 2015 Council Meeting.
