ROADWAY PROJECT

CARLETON STREET/ALARCON STREET IMPROVEMENTS PROJECT

July 1, 2015

The Carleton Street/Alarcon Street Improvements Project generally consists of reconstructing the severely deteriorated concrete roadway on Carleton Street from Montezuma Street to Cortez Street with new asphalt pavement. Water and sewer replacements, pavement improvements, and drainage improvements are also included throughout the project limits. Curb and sidewalk improvements will be included as needed. The limits are on Carleton Street from Montezuma Street to Alarcon Street, and Alarcon Street from Carleton Street to Aubrey Street.

Design is being performed by in-house staff and is currently underway.
