**PROJECT UPDATE**

**Project Name:**

Country Park Drive Water Main Improvement Project

**Date:**

7/22/11

Country Park Drive Water Main Improvements: To meet the basic infrastructure needs of providing for safe, adequate drinking water for the City's residents and businesses, the City annually budgets funds for the replacement and upgrade of small, undersized and aging water mains. Because of a large amount of water main failures in this area a new water main will be installed in Country Park Drive from Robbie Lane to Highlander Place. A section of water main will also be abandoned on Sylvan Drive. The contract was awarded to T & H Construction.

This project has been completed. No further construction or traffic delay should be expected.
