**PROJECT UPDATE**

**Project Name:**

FY 2011 Pavement Reconstruction Project

**Date:**

July 29, 2011

FY 2011 Pavement Reconstruction Project: The purpose of the project is to replace the deteriorated asphalt pavement on Cedarwood Drive from Rosser Street to about 300 feet north of Brandon Circle with new asphalt pavement. The project also includes pavement repairs on portions of Indian Meadows Drive, Smoketree Lane, and Sheldon Street at the entrance to Yavapai College.

Asphalt Paving & Supply, Inc. (AP&S) is the contractor. Construction is complete as of July 6, 2011. AP&S has some minor administrative tasks to complete to close out the project.
