PUBLIC WORKS DEPARTMENT**

TRAFFIC BULLETIN

Today's Date:	October 7, 2011
Location:	Various Locations Citywide
Description of work performed and traffic impact:	<p>As part of the FY 2012 Chip Seal and Various Pavement Repairs Project, temporary lane closures will be in effect at various locations citywide to perform pavement repairs.</p> <p>The project includes rubber chip seal on streets predominately in the Southview Subdivision, the Copper Canyon Subdivision, and the Sandretto Hills Subdivision. The chip seal portion of the project has been completed. The adjustment of utility covers to finish grade will impact traffic on all streets in the project.</p>
Effective Dates:	August 3, 2011 through October 14, 2011
Contractor & Contact Information:	Cactus Asphalt: Davey Cordova; (623) 433-6638
