PROJECT UPDATE

Project Name:

FY 2014 Pavement Reconstruction Project

Date:

January 24, 2014

The FY 2014 Pavement Reconstruction Project generally consists of reconstructing pavement and appurtenant infrastructure on the following streets:

- Willow Lake Frontage Road from Maranatha Dr to Willow Dr
- Willow Lake Road from Meadow Lane to SR 89
- College Heights Rd from Willow Creek Road to Georgetown Dr
- Haining Street from Iron Springs Road to Forbis St
- Sequoia Drive from Delano Ave to Tamarack Ln
- Delano Avenue from Sequoia Dr to Chestnut Dr
- Miller Valley Road from Fair St to Whipple St

The engineering design contract with Shephard-Wesnitzer, Inc. was awarded on February 26, 2013. Shephard-Wesnitzer submitted 90% complete plans on 1/13/14 for review by staff. Plan review is currently underway. UniSource has started relocating gas lines on Willow Lake Frontage Road.
