PROJECT UPDATE

Project Name:

FY 2014 Sidewalks Repair Project

Date:

August 9, 2013

In March, 2013, the City Council approved code changes that give the City discretion to replace or rebuild sidewalks subject to availability of funds in any given year. The Council has since then approved an annual budget for sidewalk repairs.

City staff has conducted a sidewalks condition assessment in the downtown area of the city and is in the process of developing engineered plans for repairs and replacement of dilapidated sidewalks. Bid advertising for the first phase of repairs is scheduled to commence on August 11, 2013.
