

**CITY OF PRESCOTT
PUBLIC WORKS DEPARTMENT**

PROJECT UPDATE

Project Name:

FY 2014 Sidewalks Repair Project

Date:

January 31, 2014

In March, 2013, the City Council approved code changes that give the City discretion to replace or rebuild sidewalks subject to availability of funds in any given year. The Council has since approved an annual budget for sidewalk repairs.

City staff has conducted a sidewalks condition assessment in the downtown area of the city and has developed engineered plans for repairs and replacement of dilapidated sidewalks that can be accomplished within current funding limits.

The plans have been completed and bid advertising commenced on January 19, 2014. A mandatory Pre-Bid Conference is scheduled for February 5, 2014. Bids will only be accepted from those contractors who attend the Pre-Bid Conference. Bid opening is scheduled for February 20, 2014.
