

UTILITY PROJECT

CIP 15-001 Lakeview Plaza Storm Drain Design

Public Works and Engineer Staff are currently designing 400 lineal feet of 48-inch diameter storm drain (see attached vicinity map). The storm drain will provide 100-year drainage underneath Willow Lake Road in the vicinity of the Lakeview Development across from the Dairy Queen.

Project Update

City staff has completed survey and potholing of the area. Preliminary design plans should be done in March, with final design to be completed in late Spring.

Questions concerning the project should be addressed to the Project Manager, Jeff Low at (928)777-1643 or emailed to jeff.low@prescott-az.gov.

Visit: www.prescottroadconstruction.com for additional project information.
