

**CITY OF PRESCOTT
PUBLIC WORKS DEPARTMENT**

PROJECT UPDATE

Project Name:

Park Avenue

Date:

March 3, 2014

Park Avenue - The Park Avenue road reconstruction project, from Canyon Springs Road to Gurley Street will include water, sewer, drainage, and roadway improvements. The project design and specifications have been completed and the project will go to bid in April.

APS, CenturyLink, and CableOne relocation work is nearly complete. The installation of new poles and streetlights as well as removal of some old poles no longer required should be complete in the next couple of weeks.

The acquisition of necessary right-of-way for the project is nearly complete. All but one of the properties has closed escrow, with the remaining property anticipated to close very soon. There are a couple outstanding Temporary Construction Easements (TCE's) remaining to be signed and recorded.

The City will advertise the construction project on March 2 & 9, 2014. The scheduled bid opening will be April 10, 2014, with an anticipated Council award the first voting session in May. Construction on the project should begin the week after Memorial Day.

Questions regarding the project should be addressed to the City Project Manager, Tim Sherwood at (928) 777-1130 or email to tim.sherwood@prescott-az.gov
