PUBLIC WORKS DEPARTMENT**

TRAFFIC BULLETIN

Today's Date:	September 30, 2011
Location:	Rosser Street from Blooming Hills Drive to State Route 89.
Description of work performed and traffic impact:	<p>Traffic control will be in effect on Rosser Street from Blooming Hills Drive to State Route 89 beginning on June 6, 2011 for the purpose of reconstructing the deteriorated asphalt pavement, constructing new water system, constructing drainage improvements, and extending the sewer main to S. Savage Lane.</p> <p>Lane restrictions are in effect. Delays are to be expected. Motorists are advised to use alternate routes whenever possible.</p> <p>With the completion of the base course of asphalt pavement on the north half of the street, traffic has now been shifted to the north half of the street. The entire base course of pavement has been completed. The final pavement surface is scheduled for completion by October 30, 2011.</p>
Effective Dates:	June 6, 2011 through October 30, 2011
