ROADWAY PROJECT

CIP13-013 SOUTH DEXTER NEIGHBORHOOD ROAD IMPROVEMENT PROJECT March 1, 2015

The project is to improve Short and Meany Street in the South Dexter Neighborhood. These roads will be repaved to a minimum 24-foot width with ribbon curbing (see attached vicinity map). The project also includes removal of all mailboxes along the street, which will be replaced with a cluster group mailbox at the northeast corner of Short and Meany Streets.

The project is schedule to be awarded to Asphalt Paving and Supply on March 10, 2015 with the notice to proceed on construction during the week of March 16, 2015.
