

PUBLIC WORKS

ROADWAY PROJECT

SUNDOG TRANSFER STATION IMPROVEMENTS PROJECT

NOVEMBER 1, 2015

The primary objective is to provide paving and drainage improvements and electrical upgrades at the existing facility. The project is intended to be broken into 4 phases with the first phase being the electrical improvements.

Advertising for Proposals and Qualifications commenced on 3/15/15. Two proposals were received on 4/23/15. Shephard-Wesnitzer was the firm chosen. Shephard-Wesnitzer has submitted their scope and fee proposal which is currently under review by staff.
