

**CITY OF PRESCOTT
PUBLIC WORKS DEPARTMENT**

TRAFFIC BULLETIN

Today's Date:	12/9/11
Location:	Surface Water Recharge Pipeline Replacement Project
Description of work performed and traffic impact:	<p>A. Miner Contracting was the low bidder and began construction on June 20th. The project will generally follow the old CVID ditch line from the City recharge basins near the Airport Sewer Plant to the junction of Willow Creek and Granite Creek.</p> <p>Construction began next to the Airport Sewer Plant and progressed south along the same route as the old CVID ditch line. Construction traffic could be encountered near the intersection of Hwy 89 and Old Hwy 89 A. Public traffic should be only minimally affected by this construction.</p>
Effective Dates:	December 9 th to December 23 rd , 2011
Contractor & Contact Information:	A-Miner Contracting – Office # 928-778-2204
City Contact Information:	Project Hotline Number: 777-1130
