

**CITY OF PRESCOTT
PUBLIC WORKS DEPARTMENT**

TRAFFIC BULLETIN

Today's Date:	April 8, 2011
Location:	Virginia Street from Sheldon Street to Acker Park
Description of work performed and traffic impact:	A. Miner Contracting is installing a new sewer main for the City of Prescott in Virginia Street from Sheldon to Acker Park. The contractor has finished installing sewer services from Sheldon Street to Acker Park. Periodic road closures should be expected and the road could also be reduced to single lane traffic intermittently as the contractor works on paving the road from Sheldon Street to Acker Park over the next two weeks. Resident and business access will be maintained on Virginia Street by south bound one-way traffic for the majority of the time. Public parking is not allowed on Virginia Street any where that the traffic has been narrowed to one lane.
Effective Dates:	April 8, 2011 to April 15, 2011
Contractor & Contact Information:	A. Miner Contracting – Office # 928-778-2204
City Contact Information: Ben Burns	Project Hotline Number: 777-1130
