

**CITY OF PRESCOTT  
PUBLIC WORKS DEPARTMENT**

**PROJECT UPDATE**

**Project Name:**

**Williamson Valley Road Reconstruction Project**  
Sidewinder Road to Shadow Valley Ranch Road

**Date:**

July 29, 2011

**Williamson Valley Road Reconstruction Project:**

The purpose of the project is to reconstruct the City portion of Williamson Valley Road from Sidewinder Road to Shadow Valley Ranch Road.

The project includes replacement of asphalt pavement, construction of retaining walls, drainage improvements, upgrade of old water system, and extension of existing sewer main. The project was advertised for construction earlier. A pre-bid meeting was held on Tuesday April 26<sup>th</sup>, and bids were open on Thursday May 19, 2011 at 2:00 p.m. in Public Works Conference Room. CLM Earthmovers of Prescott was the low bidder, confirmation of bid was received and the City Council awarded the contract to CLM on Tuesday June 28, 2011. Notice of award letter was sent to CLM on Wednesday June 29, 2011 with anticipated date to commence construction in early August, 2011.

Utility companies are in process of completing the relocation of their facilities at this time.
