| <b>Description of work performed and traffic impact:</b> | <p><b><u>Williamson Valley Road Reconstruction Project:</u></b></p> <p><b>Tuesday, September 6<sup>th</sup> through, Friday September 9<sup>th</sup> from 6:30 a.m. to 6:00 p.m.</b></p> <p>Crews may be working throughout the project area from Sidewinder Road to Shadow Valley Ranch Road performing miscellaneous work required to begin clearing and grubbing, R.O.W. staking and SWPPP installation. This work may require traffic control where needed.</p> <p>Motorists should be aware of narrow lanes, reduced speeds, and flagging operations. There may be debris on the roadway and delays associated with this work.</p> |                   |               |                |              |            |                |               |               |                |                         |                   |                |
