ROADWAY PROJECT

S. WASHINGTON AVENUE/GOODWIN STREET IMPROVEMENTS PROJECT

MAY 1, 2015

The S. Washington Avenue/Goodwin Street Improvements Project generally consists of constructing roadway and pedestrian access improvements along E. Goodwin Street from S. Mt. Vernon Avenue to S. Washington Avenue, and along S. Washington Avenue from Gurley Street to the southerly termination of S. Washington Avenue. Water and sewer replacements are also included.

Advertising for Statements of Qualifications to provide engineering design services commenced on November 23, 2014. Statements of Qualifications were received on December 11, 2014. The SOQ's have been reviewed by City staff and the ranking of candidates has been completed. Shephard-Wesnitzer Engineering was selected for this project. Contract negotiations have been completed with Shephard-Wesnitzer Engineering. The engineering design contract is scheduled for award at the May 26, 2015 Council Meeting
