PROJECT UPDATE

Project Name:

Yavapai Hills Localized Drainage Project

Date:

January 10, 2014

Yavapai Hills Localized Drainage Project: The project will generally consist of drainage improvements for portions of the Yavapai Hills development. Improvements will include new curb and gutter, storm drain piping, manholes and catch basins to intercept runoff and alleviate existing drainage problems. The project will be constructed on Dragonfly Drive, Coal Drive, and Cactus Place.

ABC Asphalt has been awarded the contract by the City of Prescott to construct the improvements. The contractor is currently working on curb and gutter, as well as storm drain installation on Coal Drive.

Questions regarding the project should be addressed to the City Project Manager, Tim Sherwood at (928) 777-1130 or email to tim.sherwood@prescott-az.gov
