PUBLIC WORKS DEPARTMENT**

PROJECT UPDATE

Project Name:

Zone 19 Reservoir, Piping and Pump Station

Date:

October 11, 2013

The City of Prescott is proud to announce completion of the Zone 19 Reservoir, Piping & Pump station project. This project included 1.0 Million gallon water storage, 12” water line extension from Sheriff’s Posse trail to the new reservoir off of Wickwood Lane, and a new pump station at the intersection of Copper Basin Road and Sierra Vista Drive.

This Project was completed under budget and on time.

The City of Prescott is proud to bring infrastructure improvement such as this to the Prescott community. Your support has been appreciated as crews worked to upgrade the Zone 19 utilities.

The patience and support of the community has been an important part of the success of this project.

PEDESTRIAN ACCESS RESTRICTIONS

Due to safety concerns, pedestrian access the reservoir site is prohibited. This means that the access road to the reservoir site is closed to recreational use.
