WATER MAIN WORK MOVES TO WHITE SPAR ROAD

Installation of 12-inch water mains along White Spar Road from Copper Basin Road to South Granite Street is scheduled to begin. Please be aware of the following impacts:

- **Monday, August 17th through Thursday, August 20th from 7 a.m. to 5:30 p.m.**
Lanes may be restricted along White Spar Road when crews are working. Motorists will experience reduced speeds, narrow lanes, and possible flagging operations.

WORK BEGINS TO CONNECT NEW PUMP STATION TO WATER SYSTEM

Crews will install 20-inch water mains along parts of West Aubrey Street and Pioneer Drive to connect the new pump station to the top of the City of Prescott easement. Please be aware of the following impacts:

- **Monday, August 17th through Thursday, August 20th from 7 a.m. to 5:30 p.m.**
Lanes may be restricted in this area when crews are working. Motorists will experience reduced speeds, narrow lanes, and possible flagging operations.

MONTEZUMA STREET LANE RESTRICTIONS

As part of the installation of 20-inch water mains along West Aubrey Street, crews will perform sewer work under South Montezuma Street. Please be aware of the following impacts:

- **Monday, August 17th through Thursday, August 20th from 7 a.m. to 5:30 p.m.**
Lanes may be restricted along South Montezuma Street at West Aubrey Street when crews are working. Motorists will experience reduced speeds, narrow lanes, and possible flagging operations.

PIONEER PUMP STATION CONSTRUCTION ONGOING

Construction of the new Pioneer Pump Station will continue off the roadway. This week crews will

construct the retaining wall for the building.

- **Monday, August 17th through Thursday, August 20th from 7 a.m. to 5:30 p.m.**
Work will occur off the road. However, motorists should remain alert for construction workers and equipment at the intersection of Pioneer Drive and South Hassayampa Drive.

Please note: In the event of equipment failure or inclement weather, the work schedule may be altered or suspended without notice.

A project hotline has been set up. Please call (928) 541-7825 anytime to receive project information.
