TRAFFIC BULLETIN

Today's Date:	November 6, 2009
Location:	<ul style="list-style-type: none"> • Zone 39 Phase II Country Club Street and Utility Improvements • Zone 39 Phase III Indian Hill Reservoir
Description of work performed and traffic impact:	<p><u>Country Club Street and Utility Improvements</u></p> <p>Monday, November 9th through Thursday, November 12th from 7 a.m. to 5:30 p.m.</p> <p>Utility installations along Country Club Drive from Park Avenue to Verde Lane will continue next week. This work will require trenching in the roadway and motorists will experience reduced speeds, lane restrictions, and traffic control where underground utility work is being performed. Curb and gutter work is also being performed along Country Club Drive between Park Avenue and Vista Drive. Please use caution while driving through the work zone.</p> <p>Country Club will be partially closed at the work zone area and Traffic Control will be in place to facilitate residential access, and use of alternate routes is encouraged.</p> <p>Unisource Gas line relocation along Country Club Drive is complete.</p> <p>Traffic control will be in effect Monday, November 9th through Thursday, November 12th from 7 a.m. to 5:30 p.m.</p> <p>Access to homes in the affected area will be maintained and residents are asked to enter the work zone with caution.</p>
