PUBLIC WORKS DEPARTMENT**

TRAFFIC BULLETIN

Today's Date:	April 1, 2011
Location:	<ul style="list-style-type: none">• Zone 39 Phase II Country Club Drive, Street and Utility Improvements• Zone 39 Phase III Indian Hill Reservoir
Description of work performed and traffic impact:	<p><u>Country Club Drive, Street and Utility Improvements</u></p> <p>Monday, April 4th through Friday, April 8th from 7 a.m. to 5:30 p.m.</p> <p><u>Park Avenue to Verde Lane:</u> Crews may be working throughout the project area performing miscellaneous punchlist work required to finish Phase II. This work may require traffic control where needed.</p> <p><u>Zone 39 Phase III</u> Indian Hill Reservoir</p> <p>All the electrical, instrumentations and controls on the reservoir are complete and with the conclusion of this portion of work; the new reservoir is now 100% complete and permanently connected to the City water system.</p> <p>Crews are scheduled to work on miscellaneous punchlist work required to finish the Phase III of Zone 39 project next week.</p> <p>Trucks hauling materials to and from the site will be traveling along Country Club Drive from Park Avenue to Indian Hill.</p> <p>While work will largely occur off the roadway, occasional, short-term traffic impacts may be experienced at the Indian Hill access road and Country Club intersection. Residents should use caution moving through the project area and be aware of construction traffic.</p> <p><u>PEDESTRIAN ACCESS RESTRICTIONS</u></p> <p>Due to safety concerns, pedestrian access through the work zone is prohibited for the duration of Phase III. This means that the access road to the summit of Indian Hill is closed to recreational use.</p>
