TRAFFIC BULLETIN

Today's Date:	April 23, 2010
Location:	<ul style="list-style-type: none"> • Zone 39 Phase II Country Club Street and Utility Improvements • Zone 39 Phase III Indian Hill Reservoir
Description of work performed and traffic impact:	<p><u>Country Club Street and Utility Improvements</u></p> <p>Monday, April 26th through Thursday, April 29th from 7 a.m. to 5:30 p.m.</p> <p>Paving completed along Country Club Drive from Vista Drive to Verde Lane. Additionally, new curb, gutter, and sidewalk installations are complete on Country Club Drive from Park Avenue to Vista Drive, crews may be working throughout the project area performing miscellaneous work required to finish Phase II. While work will largely occur off the roadway, this work may require traffic control where needed.</p> <p><u>Zone 39 Phase III</u></p> <p>With the demolition and removal of the water reservoirs atop Indian Hill complete, crews will continue the installation of a 16-inch water line and storm drain pipe throughout the week. The water line will connect the new reservoir to the new water mains along Country Club Drive. Trucks hauling materials to and from the site will be traveling along Country Club Drive from Park Avenue to Indian Hill. Please be aware of the following:</p> <p>While work will largely occur off the roadway, occasional, short-term traffic impacts may be experienced at the Indian Hill access road and Country Club intersection. Residents should use caution to move through the project area and be aware of construction traffic.</p> <p><u>PEDESTRIAN ACCESS RESTRICTIONS</u></p> <p>Due to safety concerns, pedestrian access through the work zone is prohibited for the duration of Phase III. This means that the access road to the summit of Indian Hill is closed to recreational use.</p>
