Description of work performed and traffic impact:

WATER LINE INSTALLATION

Monday, March 8th through Thursday, March 11th – 7 a.m. to 5:30 p.m.

Water main tie-ins and testing will continue on west Aubrey Street from South Montezuma Street west to the new Pioneer Pump Station and on S. Hassayampa from Park Avenue to Pioneer Pump Station. This work may occur throughout the week.

With installation of the 20-inch water main complete, crews are scheduled to pave West Aubrey Street from the Montezuma Street intersection to the city easement. This work is anticipated for Wednesday and Thursday, but is weather dependent and the schedule may change. Please be aware of the following impacts:

Lanes may be restricted along Montezuma Street at Aubrey Street when crews are working.

Motorists will experience reduced speeds, narrow lanes, and possible flagging operations.

PIONEER PUMP STATION

Monday, March 8th through Thursday, March 11th – 7 a.m. to 5:30 p.m.

Construction of the new Pioneer Pump Station will continue off the roadway next week. Crews will continue construction of the pump station structures.

Motorists should remain alert for construction workers and equipment at the intersection of Pioneer Drive and Hassayampa Drive and should follow well-marked detours. Please drive slowly and safely along detour routes.

Access to homes in the affected area will be maintained and residents are asked to enter the work zone with caution.
