

**CITY OF PRESCOTT
PUBLIC WORKS DEPARTMENT**

PROJECT UPDATE

Project Name:

Zone 56 Design for Replacement for the Prescott Resort Pump Station

Date:

February 8, 2012

City staff has completed review of the 100% design plans and are awaiting the Arizona Department of Environmental Quality's permit for Approval to Construct, prior to bidding out the project. Construction is anticipated to start in the Summer. Project coordination between the Yavapai Indian Tribe – Prescott Resort and Casino will be required to limit any disruptions to the facility.

Questions regarding the project should be addressed to the City Project Manager, Jeff Low at (928) 777-1130 or email to jeff.low@prescott-az.gov.
