2. If you can not make your scheduled for any reason, please call the City of Prescott Adult Sports office at 777-1557 by noon on Friday so we can notify all parties concerned. If a team has to forfeit (no players show up) that game is considered a loss. If a team has to default (a few players show up but not enough to start the game), that game will also be considered a loss. Two forfeits and a team will be removed from the league and a revised schedule will be set out. Any combination of forfeits and defaults can be grounds for removal from the league.
3. The regular season champions and runners up will receive team plaques. End of Season tournament champions will receive a League Championship Certificate in the amount of \$90.

V. Specific Rules for the League

1. A team must start the game with a minimum of five (5) players. Anytime a team drops below five players, a forfeit will be declared. The team that wins the coin toss has three options: 1) Start game on offense. 2) Choose which end of the field to defend. 3) Defer choice to the second half. Offense starts on the 5 yard line after a score, safety or to begin the first and second half of the game.
2. Scoring is as follows:
Touchdown = 6 points
Conversion from 15 Yard Line = 2 points
Conversion from 5 Yard Line = 1 point
Safety = 2 points
Conversion Return = equal to attempt
3. The offense may have only one player (QB) off the line of scrimmage. All players must be at least five yards from the sidelines at the time of the snap.
4. This is a “passing only league”. The QB must release the pass within six seconds of the snap or he/she is considered sacked at that point. The Defensive “Rusher” (only one player) must line up 10 yards in front of the line of scrimmage or be considered offsides. **The Offense may not impede the rusher’s progress.**
5. The offense has 30 seconds to put the ball in play once the referee has spotted the ball.
6. There is NO blocking allowed anywhere on the field. Once a pass is complete (Both feet in bounds) or intercepted, all other players on that team must stop and stay out of the play. No laterals are allowed. **Defensive players must go after the players flags NOT the ball unless attempting to intercept the ball.**
7. Teams may not run “pick” plays.
8. Players must have one (1 foot) in bounds for a legal reception.
9. Fumbles are dead at the point of ground contact. Teams have four downs to make the next line, regardless of where they started. On fourth down, they can punt (hiked ball, four defensive players on the line, punt is dead where it stops or is caught in the air by defense) or attempt to make the next line for a first down.
10. Spinning is allowed. Offensive player may not run over a defender who has established position. Tackling, Holding or pushing a player out of bounds is not allowed. **(Violations of this rule will result in the ball carrier receiving the yardage the official felt they would have gained if no infraction had occurred)** The offensive player cannot leave his feet to advance the ball (no hurdling or diving)
11. The person with the ball is “down” when at least one flag is pulled. A person with less than two flags is down at the point of receiving the ball.
12. The designated Captain is the sole representative to the officials, and accepts or declines all penalties, calls all time outs, and provides a lineup of first and last names to the Head Official.
13. Trash talking/profanity will not be allowed. Violation of this rule will result in a loss of down. Repeated violations will result in the ejection of the player.
14. Penalty yards awarded according to NFL standards.

VI. Length and Scheduling of Games

1. Games shall be two 25 minute running time halves.
2. Overtime: Each team will receive four plays starting from their own 5-yard line. The team that accumulates the most total yards will be declared the winner. Interceptions will result in the end of the offensive team’s possession.
