PRE-APPLICATION GUIDELINES

PRE-APPLICATION MEETING

Prior to the submission of any commercial or multi-family application required by the Land Development Code, a pre-application meeting with the Community Development Department Staff is required unless waived by the Community Development Director.

PRE-APPLICATION CONFERENCE (PAC)

Pre-Application Conference Applicability. A pre-application conference is required by the Land Development Code, Article 9.1.2, for all Conditional Use Permits, Non-Residential and Multi-Family Developments, Planned Area Developments, Site Plan Reviews, Special Use Permits, Subdivisions, Variance requests, and Zoning Map Amendments (rezoning). A pre-application conference is optional for all other applications, although applicants are encouraged to meet prior to submitting any application.

Pre-Application Conference Purpose. The purpose of the Pre-application Conference is to bring representatives from the City Manager's office, Development Services, Engineering Services, Building, Solid Waste, Public Works Utilities and Transportation Services, Fire, Police and Economic Development together and to provide information to the applicant on key considerations and possible issues the project may encounter, City Code requirements, answer questions related to the project, and identify additional approvals that may be required to successfully facilitate the project. The following topics will be discussed during the Pre-application Conference:

- Economic Development assistance
- Off-site improvement requirements, traffic impacts, site access
- Building requirements
- Zoning requirements and allowed uses
- Historic preservation and archeology survey requirements
- Public utility easements
- Fire requirements
- Location of building(s)
- Adjacent zoning, parking, landscaping, outdoor lighting
- Dumpster type and location
- Water and sewer line locations, capacities and potential improvement required
- Allocation of water to serve the project
- Drainage and floodplain criteria

Pre-Application Conference Submittal Requirements. One (1) 8 ½ X 11 Site plan and Eleven (11) **folded** copies of a project location and layout/site plan (drawn to scale) and applicable attachments are required showing the following information:

- Completed Pre-application Conference application
- A brief written description of the project
- Scale and north arrow
- Township, Range and ¼, ¼ Section
- Street and cross street location map
- Zoning and Historic Preservation designation, if applicable
- Lot dimensions
- Building size, location, setbacks, building separation & height and use for all existing as well as proposed structures
- Dimensioned floor plans (**Optional**)
- Elevations (**Optional**)
- Off-street parking & maneuvering layout
- Ingress/egress locations
- Fences/walls, including retaining walls
- General landscaping
- Refuse/dumpster location
- Sign locations
- Topographic elevations
- Conceptual drainage and grading, on site detention
- Any known easements existing or proposed
- Location of the closest two (2) fire hydrants
- Building occupancy and construction type
- Proposed utility locations (water, sewer, gas, electric, etc.)
- Any other information necessary to clearly define the intended use of the property

In addition to the information listed above, if the project is located within two (2) miles of the Prescott Municipal Airport, please supply the following additional information:

- Building height, including antennas
- Location of helo pads

Pre-Application Conferences occur every Thursday beginning at 2:00 p.m. The information listed above must be submitted to the Development Services Department no later than 12:00 noon on the Thursday one week prior to the Thursday on which the Pre-application Conference for the project is desired.

Pre-Application Conference Follow-up:

Within five (5) working days after the Pre-Application Conference the applicant will receive a summary of written comments provided at the meeting, from the Private Development Facilitator.

Applications for building, engineering or planning review will be accepted by the City when all comments from the Pre-application Conference have been incorporated into the plan set. If additional technical review is necessary this may be accomplished by requesting a meeting with the Technical Review Committee.
