**Authority:** 49 U.S.C. §114, 44936 authorizes the collection of this information.

**Purpose:** The Department of Homeland Security (DHS) will use the biographical information to conduct a security threat assessment and will forward any fingerprint information to the Federal Bureau of Investigation to conduct a criminal history records check of individuals who are applying for, or who hold, an airport-issued identification media or who are applying to become a Trusted Agent of the airport operator. DHS will also transmit the fingerprints for enrollment into the US-VISIT's Automated Biometrics Identification System (IDENT). If you provide your Social Security Number (SSN), DHS may provide your name and SSN to the Social Security Administration (SSA) to compare that information against SSA's records to ensure the validity of your name and SSN.

**Routine Uses:** This information may be shared with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the Transportation Security Threat Assessment System (T-STAS), DHS/TSA 002.

**Disclosure:** Furnishing this information (including your SSN) is voluntary; however, if you do not provide your SSN or any other information requested, DHS may be unable to complete your application for identification media.

**By my signature below, I agree that:**

My security identification badge remains the property of the City of Prescott Airport (PRC), is issued for my use as long as I have an operational need for unescorted access, and is not transferable to any other individual. PRC has the right to revoke the authorization of individuals with security identification badges where such action is determined to be in the best interest of airport security.

The information I have provided is true, complete, and correct to the best of my knowledge and belief and is provided in good faith. I understand that a knowing and willful false statement can be punished by fine or imprisonment or both. (See Section 1001 of Title 18 of the United States Code).
