## MISCELLANEOUS PERMIT REQUIREMENTS

1. Traffic control for any work performed on rights-of-way shall conform to the Manual on Uniform Traffic Control Devices.
2. All excavations shall be properly barricaded. Applicant shall barricade and maintain all traffic control at his own expense. City reserves the right to correct deficient barricading and charge application.
3. All road cuts shall be patched immediately with hot (C-3/4 mix) asphalt or high performance cold mix (UPM or equal). Non-shrink material will be used as backfill in all trenching under pavement. Asphalt patches shall be sealed with a material acceptable to City Public Works Department. All permanent patches shall be hot mix asphalt or high performance cold mix (UPM or equal).
4. City Public Works (777-1130) shall be notified of all work within right-of-way one business day prior to starting of work. If work is not inspected by City, applicant may be required to remove/modify to allow for City inspection, at application's expense.
5. Any damage to pavement due to work shall immediately be repaired to the satisfaction of the City Public Works Department.
6. All concrete shall be protected from freezing for a period of seven days and all exposed concrete surfaces shall be sprayed with a curing compound, as approved by City Public Works Department.
7. Vehicles, dumpsters or similar type equipment shall not be parked or placed on paved surfaces unless specifically allowed in the permit.
8. Excavated or imported material shall not be stored on pavement, sidewalk, travel roadway surface or other public right-of-way without prior approval of the City Public Works Department.
9. Proper drainage/erosion control shall be maintained at all times.
10. All work performed shall conform to MAG and/or City of Prescott Department of Public Works Standard Specifications and Detail drawings (Y.A.G.), most current edition, and Prescott City Code.
11. The undersigned hereby agrees to indemnify and hold harmless the City, its departments and divisions, its employees and agents, from any and all claims, liabilities, expenses or lawsuits as a result of the undersigned's work in or use of the right-of-way as allowed in this permit, whether said claims, liabilities, expenses or lawsuits arise by the acts or omissions of the undersigned, his/her agents, whether by acts or omissions of the City, its agents or employees, or whether by the acts or omissions of third persons. The undersigned further releases and discharges the City, its departments and divisions, its agents and employees, and any and all persons legally responsible for the acts or omissions of the City, from any and all claims which the undersigned has or may have against the City, its agents, or employees, arising out of or in any way connected with the undersigned's activities as set forth on this permit.
12. Any repairs to existing streets or rights-of-way shall be warranted for a period of one year from the date of City approval and acceptance.
13. It is expressly understood by the undersigned that this Permit is revocable at will by the City, at the sole option of the City. If City revokes this permit, it shall be the responsibility of the Permittee to remove, at Permittee's expense, all improvements authorized by this permit.

Additional Requirements:

Applicant agrees to abide by the aforementioned miscellaneous requirements and all provisions and conditions as set forth in this permit.
