

COMMUNITY MEETING

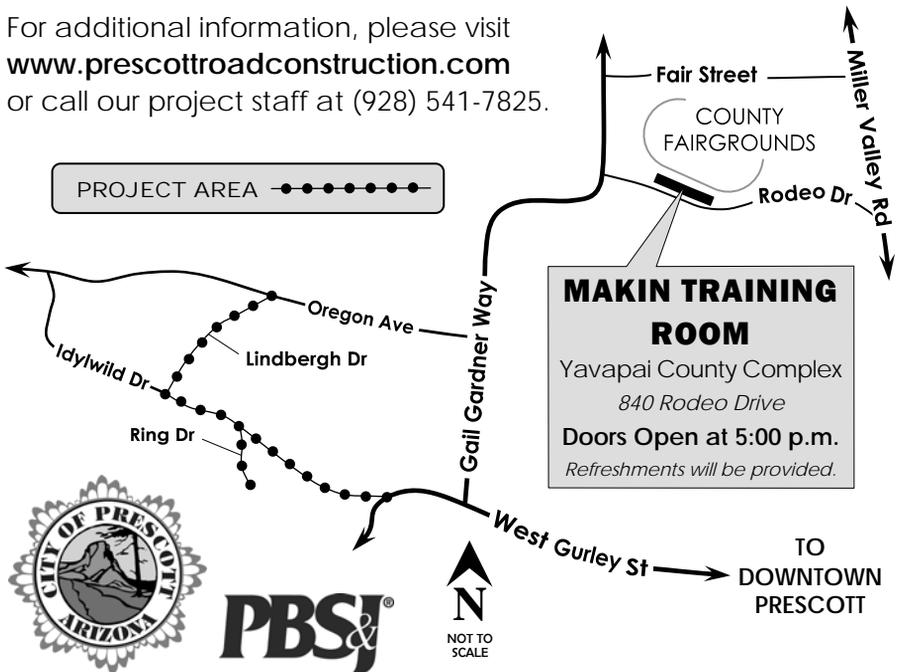

CITY OF PRESCOTT UNPAVED STREETS PROJECT

The City of Prescott is developing a design to upgrade the existing utilities and roadway surface conditions on the following neighborhood roads: Idylwild Road from west of Lindbergh Drive to Gurley Street; Ring Drive from Idylwild Road to the south end; and Lindbergh Drive from Idylwild Road to Oregon Avenue. On **Thursday, March 27, 2008 at 5:00 P.M.** the City of Prescott and the design consultant, PBS&J, invite you to attend a community meeting for this roadway improvement project.

The community meeting will feature design information available to the general public and individual property owners. Questions or concerns will be addressed by representatives from the design firm and the City of Prescott. Doors open at **5:00 P.M.**, and a short presentation detailing the proposed improvements will follow.

If you live in the project area, please attend and give us your input!

For additional information, please visit www.prescottroadconstruction.com or call our project staff at (928) 541-7825.

Persons with disabilities may request reasonable accommodations by contacting Bryce Snyder at (928) 541-7825 or at bsnyder@esmaz.com. Requests should be made as early as possible to allow for appropriate accommodations.
