The Recreation Services Department reserves the right to adjust any league schedule at any time. Teams will be notified of any changes.

For all our leagues to deliver an Optimal Experience for every participant we ask teams and team captains to try and ensure their teams are registered in leagues where their players skill levels are commiserate with their teams abilities. It is up to all us to try and create parity in all leagues so everyone can enjoy a fun and competitive game every night. Try to refrain from "stacking" your team just to win games. Close, competitive, evenly matched (to the best of your ability), contests should be the goal for everyone. The League Director reserves the right to move teams to different divisions and/or nights to try and help create parity if needed. Teams please do your part to create the kind of leagues you and everyone else would enjoy playing in.
