The City of Prescott Trails
The City Trail map shows the easy, partly paved parts. The more rugged parts are shown on the East Trail Map.

Prescott National Forest Trails
There are many options for trail-based recreation in the Prescott National Forest. For additional information on forest recreation, visit the Forest Service offices at 191 S. Cortez St. (928) 635-2314. Note: Wednesdays are free parking days at Tonto Basin Trailhead.

The Dells Granite Rock Trails are constructed by Prescott Mountain Bike Alliance, Over the Hill Gang, and US Forest Service. The old Santa Fe Prescott & Phoenix Railway stored the area and approached Prescott from the west, and the railroad served as an easy conveying connector within the network. The dense network is best explored by getting the detailed Spence Basin map on your mobile device. It is available through the AvenzaMaps app for free. Trails are best suited for hiking and biking except heavy bike traffic in the area.
