ROADWAY PROJECT

FY18 Various Drainage and Street Improvement Projects

APRIL 1, 2019

The project consists of various drainage improvements associated with street drainage and neighborhood concerns regarding drainage. The projects have been split into four separate bid packages in an effort to obtain more competitive bidding for the construction projects.

- Bid Packet #1 includes Alarcon Alley #1, Divinity Drive, 5587 and Goldenrod Way. The project was awarded to Earth Resources Corporation (ERC) for construction. All work associated with Bid Packet #1 has been completed.
- Bid Packet #2 includes 915 Country Club Drive, 1816 Boardwalk Avenue and the Thumb Butte Road curbing (west of Apollo Heights Drive). The project was awarded to ERC for construction. Work is anticipated to last for 60 days. ERC is currently working on Boardwalk Avenue and Thumb Butte Road during the month of March and April. This project is anticipated to be complete by May 2019.
- Hillcrest Lane Storm Drain off of Robinson Drive. Kimley-Horn has finalized the plan and the project has been awarded to Capital Improvements, Construction has started and will last until summer 2019.
