

UTILITY PROJECT

Sundog Trunk Main Phase C2 Project

OCTOBER 1, 2020

The Sundog Trunk Main Phase C2 design project has been awarded to Lyon Engineering. The project includes the upsizing and replacement of the sewer trunk main from Creekview Apartments south of McDonald's on Miller Valley Road to the proposed Highway 89 Lift Station on the Veteran's Administration Hospital Grounds.

City staff has returned comments to Lyon Engineering regarding the 60% design review, Lyon is currently scheduling utility potholing for the project area and will be working on the 90% design plans. The design is anticipated to be complete in early 2021.
