## WATER OPERATIONS PAVEMENT IMPROVEMENTS PROJECT

*NOVEMBER 1, 2017*

The primary objective is to provide paving improvements at the City Water Operations Facility on Sundog Ranch Road. The project involves paving both entrances to the Water Operations Facility.

Survey and engineering design services are being performed by in-house staff. The plans are complete, and bid advertising started on 6/25/17. Bid opening was on July 20, 2017. The construction contract was awarded to Earth Resources Corporation on August 29, 2017. Construction started on October 2, 2017. Paving was completed on October 27, 2017. The project is now complete.
